

2002 HALL OF FAME

Tracye Jean-Marie Lawyer Outstanding Athlete

Tonight you will hear about a number of student-athlete successes but few will be able to match the success Ms. Tracey Jean-Marie Lawyer has achieved at every level of athletic competition and in multiple sports. When we hear about multi-talented student-athletes, we often wonder if genetics played a role. Physiological and anatomical factors may also have contributed to her success. Certainly there was a burning desire to excel. And, you don't reach world class level without a strong character, driving determination and an exemplary work ethic. Tracey Jean-Marie Lawyer possesses all of these traits.

From enrollment in Cate School to her graduation in 1995, Tracye was involved in an interscholastic sport. Incredibly, Tracye received All CIF honors in three sports: Volleyball, Soccer and Track and Field. Tracye was selected as the Santa Barbara Athletic Round Table Track and Field Athlete of the Year in 1994 and 1995. She accepted a full athletic scholarship to attend Stanford University, and in 1997, entered her

first NCAA Heptathlon event. The rest is history. Tracye was Pac-10 Co-Player of the Year in 1998, and the Pac-10 Heptathlon champion in 1997, 1998 and 1999. In 1999, Tracye was the NCAA Heptathlon champion. She was a 5-time All-American and still holds the Stanford record in the Heptathlon with a point total of 5,855.

In 2000, Tracye was selected to participate in the US Olympic Trials. After the first day, Tracye was in second place and fighting for a place on the Olympic Team. Unfortunately she did not make the team, but she did leave a lasting impression on those who were fortunate to see her compete.

Today Tracye is still involved in Athletics, giving back to a sport she loves. She is currently coaching Track and Field at her Alma Mater, Stanford, in Palo Alto. Tracye's tremendous athleticism established her as an extraordinary student-athlete, and ultimately a Hall of Fame Inductee. Congratulations!

Scholarships & Awards 2001–2002

Russ Morrison Memorial Scholarship

RYAN LINK

Ryan Link will graduate from San Marcos High School, where he has been a valuable member of the Varsity Golf Team and *Most Valuable Player* on the Junior Varsity Golf Team. Ryan also played Varsity Football and Soccer. He is proud to have earned a varsity letter in three sports. Ryan Plans to attend the University of California, Los Angeles.

Outside of school, Ryan has participated in the Santa Barbara Junior Golf Association and been an instructor for the Russ Morrison Junior Golf Program.

He has maintained a 4.62 GPA while challenging himself with the most rigorous classes San Marcos has to offer. One of his teachers wrote: *If I were to make a model of a scholar-athlete, it would be Ryan.* Another wrote: *One of the most distinguishable characteristics of this young man is his maturity beyond his years.*

Ryan is an active volunteer for the Boys and Girls Club and has worked as a camp counselor for the City of Santa Barbara.

Gina Ruskauff Memorial Scholarship

KAYLENE WAGNER

Kaylene Wagner will graduate from Dos Pueblos High School where she played 3 years on the Varsity Track and Field Team, 3 years on the Varsity Basketball Team, and one year on the Cross Country Team. She was a State Finalist in the High Jump and elected as the Captain of the Basketball Team.

Kaylene is also an outstanding student academically, maintaining a 4.70 GPA. An Administrator wrote: *Kaylene Wagner is one of the most incredible students I have ever had the pleasure of working with as a teacher or as a school administrator. She is creative, intelligent, hard working and has a tremendous sense of humor. Her interest in education is of a depth and quality I have rarely seen in someone her age.*

She has been involved in the Interact Club and Usherettes Community Service Club and volunteered at the Animal Shelter.

Next year Kaylene plans to attend Cal Poly San Luis Obispo and major in Animal Science. Her goal is a career in animal training and care.

Santa Barbara Athletic Roundtable Scholarship

SEAMUS MCKIERAN

Seamus McKieran will graduate from San Marcos High School where he has performed exceptionally as a scholar, athlete, and statesman. Seamus has been a 4 year starter on the Basketball Team and the Volleyball Team. He has served as Captain on both teams and is recognized as a leader by his peers.

One of his counselors described Seamus as *an effective leader, talented athlete and a confident and compassionate human being.* One of his coaches wrote: *I see a duality of talents in Seamus and can only imagine where his unique personal and intellectual gifts, coupled with his athletic abilities, will take him.*

Seamus has maintained an impressive 4.50 GPA at San Marcos and plans to attend Harvard University. He had the opportunity to spend a semester of his junior year attending a School Abroad program in Beijing, China. When he returned, he was selected to represent San Marcos High School at Boys' State in Sacramento and was elected Chief Justice of the Supreme Court by the other 900 delegates. Seamus plans to study History and International Relations and is interested in a career as a diplomat or politician.
