THE VISITORS

Take a close look at the opposition. They have an advantage your team will have to overcome.

They all left school to get on a bus. They probably ate together somewhere en route. By now they've already spent several of the most critical pre-game hours together, as a team. So while they may be a little stiff from the ride, psychologically they're very much together. And they're ready to prove it.

Home teams aren't always as organized. When they don't get together as a team until

they hit the locker room, they've negated most of their natural home team advantage. So Sambo's is offering a very strategic alternative.

The Sambo's Training Table. Specially prepared high protein or high carbohydrate meals, served in a private room at prices that won't break the bank. It gives your team an opportunity to feel like a team hours before the game. So they can think it over, talk it over and plan together how to win it.

If you're a player, be sure your coach knows about the Sambo's Training Table program. If you're a coach, contact your nearest Sambo's for a Training Table Menu and Directory of all our locations. And if you're a fan, just sit back and enjoy the results.

CITY OF SANTA BARBARA
COMMUNITY SERVICES DEPARTMENT
RECREATION DIVISION

On behalf of the City and the Recreation Division staff, it is a pleasure to extend congratulations to the athletes, coaches, and parents attending tonight's annual awards banquet.

The Recreation Division, as paralled to many Santa Barbara athletes, has continued to grow and expand in providing recreation and cultural services. Traditional activities such as Aquacamp, age group swimming, Youth baseball, adult softball, playgrounds and camping, Youth Theater, tennis tournaments and many exciting special events will again be available this summer for your leisure enjoyment. The Division has expanded in Cultural Arts with new classes from ukelele to tap dance and theater for children. Youth tennis, soccer and basketball leagues were established this year with the support of numerous volunteers. Tennis lessons, junior high after-school sports, adult physical fitness, developmental programs for the retarded and activities for senior citizens are just a few examples of programs that have experienced intense growth during recent months. Summer recreation program brochures have been distributed throughout the City to assist you in planning activities for the summer months. For a more detailed review of year round programs offered by the City, we invite you and your families to join us for the Recreation-in-Action Show scheduled Saturday, May 31, in the LaCumbre Plaza Shopping Center.

We commend all the Santa Barbara area athletes and coaches for their fine accomplishments and wish all of you the best in your future endeavors.

Richard C. Johns

HISTORY — SANTA BARBARA ATHLETIC ROUND TABLE

In the spring of 1968 two of Santa Barbara's leading sports enthusiasts, Jerry Harwin and Caesar Uyesaka, recognizing the need for an organization dedicated to the assistance and recognition of all sporting activities and athletes in the greater Santa Barbara area, decided on the formation of such an organization. During a period of just three months the Round Table grew to an astounding membership of over 300 citizens also dedicated to the same goals and ideals.

With funds derived from dues, contributions and fund-raising events the Round Table has contributed over \$14,000 to help support sports in the area. Besides its assistance to sports, athletes and athletic groups, the Round Table through the efforts of its second president, Bill Bertka, established the highly successful and popular weekly "Press Luncheons" that bring news media, prominent athletic personalities, coaches, athletes, and interested supporters together. These luncheons are presided over by the present president of the Round Table.

The Round Table also established the Annual Hall of Fame Banquet, honoring the outstanding athletes of the year and inducting new members into the Athletic Hall of Fame.

Today, the Round Table numbers nearly 300 members with yearly dues of only \$5.00 and has become the leading organization in the community for the promotion and publicity of all sporting events and assistance to all sports in general.

This annual Santa Barbara Athletic Hall of Fame banquet dramatizes the far-reaching impact of sports on our community. Look around you at the award winners. They are young and old, rich and poor, big and small, professional and amateur. They have one thing in common. All are athletes. Thanks to our Special Olympics, mentally retarded children and adults are also part of our community of athletes. They are just like all the athletes here in their fundamental pursuit of excellence in sports. Every year they practice and prepare for their annual competition, and every year their performances improve. The 1975 Santa Barbara County Special Olympics were held May 3 at UCSB. Some 350 mentally retarded individuals participated in the swimming and track meets, which for some may lead to state and national games. On May 3, every participant who ran or swam a race, who jumped or threw a baseball, felt a sense of achievement. Instilling that positive experience is the purpose of the Special Olympics. The Special Olympics began under the nationwide sponsorship of the Joseph P. Kennedy Jr. Foundation in 1968. There were 1,000 mentally retarded children in the first year's program. Now there are nearly 500,000 Special Olympians competing in over 2,500 meets throughout Canada and France. The fantastic growth of the Special Olympics shows that its main idea has caught on--the idea that athletics is not just a physical outlet for the mentally retarded, but it also enhances their psychological and attitudinal growth. Nobody who has seen a Special Olympics meet can deny it. It has taken some hard work by loving people to illuminate and spread that idea. The core of the Special Olympics organization is volunteer help. Many selfless volunteers made the Santa Barbara County meets a success--from those who slaved on the main committee, to everybody who took the time to show up on that special day to cheer and applaud the wondrous events that unfolded.

AREA RECORDS - - 1974-75

FOOTBALL - Dos Pueblos High won its first outright Channel League title. Carpinteria High advanced to the CIF playoffs. Santa Barbara City College posted an 8-2 record.

SOCCER - Santa Barbara High won a CIF championship enroute to an undefeated season. Westmont College won the NAIA District 3 title and a berth in the National Tournament.

CROSS-COUNTRY - Dos Pueblos won the league title and Santa Barbara High's Aguirre brothers went on to place high in the finals.

WATER POLO - San Marcos captured the Channel League crown and reached round two of the CIF finals. UCSB'S free-lance team earned a berth in the NCAA tournament.

BASKETBALL - UCSB posted a fine 18-8 record in its first year as an independent. Santa Barbara High captured the league title and advanced to the quarter finals of the CIF playoffs. San Marcos gained a CIF playoff berth after finishing second.

WRESTLING - Dos Pueblos dominated and won the league title and went on to tie for CIF championship. Coach Mike Hart was voted CIF wrestling coach of the year.

WOMEN'S SPORTS - Dos Pueblos girls volleyball team made it to the second round of the CIF playoffs. Bishop Diego girls basketball team went undefeated for the season and went to the CIF playoffs, losing to Santa Maria. At UCSB, the womens vollyball team placed third in the nation and its womens basketball team posted a winning record.

IN AREA SPRING SPORTS (mostly incomplete at this writing), The UCSB mens volleyball team ranked NO.1 in the nation, lost to UCLA in the final NCAA National tourney contest. In baseball, Santa Barbara High, & Dos Pueblos ended up in a three-way tie with another channel league team and are entered in the playoffs. Santa Barbara and San Marcos were undefeated in dual track meets. San Marcos took the Channel League swimming honors.

ESPAÑA

RESTAURANT & COCKTAIL LOUNGE

29 East Cabrillo Boulevard at Anacapa 963-1968

SBHS 1975 DON soccer team captured the CIF championship against South Torrance 4-1. Front row, left to right: Tom Guzman, Agustin Vasquez, Jose Adame, Gus Guzman, David Del'Arbre, Rudy Ybarra, Jose Zuniga, Eddie Sanchez. Back row: Phil Bugay, Peter Hartmann, Trent Smith, Larry Goluck, Eric Marcogliese, Peter Guzman, Kent England, Laurence Coleman, Arturo Vallecillo, Mario Cuevas, Miguel Rodriguez, Miguel Nuno, Lenny Mendoza, Coach Manuel Garcia.

The SBHS soccer team seemed to dominate the Northern Section of CIF competition; and they carried that with them as they entered the CIF Finals against South Torrance in LA and came out winners 4-1 with an overall record of 25-0-1 and their first championship in four years.

"We knew South Torrance's style as well as they knew ours," commented head Coach Manuel Garcia. "So it was just a matter of playing well on a dry field and under great pressure."

All three Guzman brothers, Tom, Gus, and Peter along

with their first cousin Rudy Ybarra scored for the Dons.

Tom Guzman scored first on a 20 yard shot after only a minute of play. "My brother Gus centered the ball and it bounced off of one of their fullbacks," said Tom. "I took it, faked and kicked."

Peter, a junior, raised the score to 2-0 with a penalty kick in the second half.

Ybarra then scored a minute later on a second effort. Spartans goalie David Wyman stopped his first shot but couldn't hang on to the ball, and Rudy slammed it in again.

The youngest of the Guzman's, Gus a sophomore scored the remaining goal on a booming kick that hit the upper left corner of the goal.

Other outstanding players contributing to the victory were goalie Lenny Mendoza who made some spectacular saves, forward Jose Zuniga, who set up Ybarra's goal, and fullback David DelArbe.

"We should have a good season next year, with five returning lettermen and a JV squad that was undefeated this year," commented Coach Garcia.

Five starters from the Dons championship team will return next year. Forwards Gus Guzman and Rudy Ybarra, halfback, Peter Guzman and fullbacks Jose Adame and Mario Cuevas.

MASTERS COMPETITION

There has been a growing interest developing in the "Masters" Athletics program during the past few years locally as well as nation-wide. Men and women once considered "over the hill" now face a new challenge competing in various sports; track, swimming, tennis, badminton, handball, raquet ball, to name a few. These have been attracting large numbers of athletes from 25 to 80 years of age. The Senior Olympics now offers annual competition in 35 sports. The Santa Barbara Swim Club has a number of swimmers participating in many meets including an annual S.P.A.A.U. Swim Meet that is scheduled for Santa Barbara in July. Club West and the S.B. Recreation Div. will stage an annual Masters Track and Field Meet this year, Oct. 4, at the U.C.S.B. Track.

Anyone interested in participating may call Russ Hargreaves at 965-3813.

SLAVICK'S JEWELERS

...an exciting store with OLD traditions

ARTHUR GALLON - Coach

In 1957 became varsity cage coach at UCSB, retiring in 1966. Record was 122-108. Best year in 1960-61 when his team was 20-8 winning CCAA title and went to NCAA College Division playoffs. Currently chairman of Physical Activities Department at UCSB.

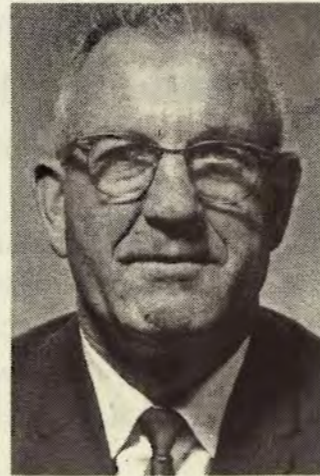

OTEY SCRUGGS - Athlete

Won letters in track, basketball and football, junior and senior years at Santa Barbara High. Played basketball and track at UCSB, 1949-50-51 and was inducted into the Gaucho Hall of Fame in 1951. Was MVP on track team which went undefeated and won the CCAA title. He placed fifth in the 1952 U.S. Olympic Trials in the decathlon.

CHARLES CHRISTIANSEN - Community Leader

Charles Christiansen, a former local school teacher, followed Hal Orion as Recreation Director of the combined city and area schools in 1934. He instituted many new and successful programs in the field of education.

NORM DUNCAN - Athlete

Won total of 12 varsity letters at Santa Barbara High in football, basketball and track. All-County in football as a fullback, linebacker and place-kicker. Captain and All-American football player at UCLA. Also Pacific Coast Conference heavyweight boxing champion in 1930-31-32. Former NFL referee, working 2 championship games in 1950-51.
