Masters Competition

The 3rd Annual Track and Field meet will be held at UCSB on Saturday October 2, 1976. This event, co-sponsored by CLUB WEST and THE RECREATION DIVISION OF THE COMMUNITY SERVICES DEPT. OF THE CITY OF SANTA BARBARA, has been established as an annual event for the first Saturday in October.

Men over 40 years of age enter this competition from several States and includes several World Record holders in many age classifications. For further information contact CLUB WEST, P.O. Drawer K, Goleta, Calif. or call 876-6332 or 963-0461.

Several Masters from this area also compete in swimming meets as well as those who compete in track and field.

A special "Thank You" to our advertisers. Their support helps make this annual event possible.

Thanks to the committee who arranged the affair for this evening and we doff our sombrero to Ron Humphrey of Dos Pueblos High School Graphics for setting up the program you are reading; to Jerry Harwin for gathering the ads and arranging for the Donors Page and to Frank Swain, our Historian, who is responsible for digging out most of the pertinent information that makes this printed program even more interesting. George Adams, Editor and Publisher and Major Domo, didn't know his name was being added here and to him we say "Thanks for all the arrangements for the Banquet."

ASK THE MAN FROM EQUITABLE ABOUT

THE PROTECTION PLAN FOR YOUNG FATHERS
Saluting All the Award Winners and Participants in Santa Barbara Sports

THE EQUITABLE
The Equitable Life Assurance Society of the United States, New York, N.Y.
Dear Sports Fans:

As the ninth year of the Round Table culminates, it is gratifying to reflect on what was done during the year, where we are now and what the future holds.

The strength of the Round Table seems to lie in its broad based membership and active guidance by the Board of Directors which was enlarged to forty this year. The diligence of the Board is reflected in the ongoing success of the weekly press luncheons, the Sportsman of the Month Award, this annual Hall of Fame Banquet, and the Athlete of the Week Award. It has always been the Round Table's pleasure to award the Youth Football League award and the annual Basketball Tournament trophy. This year the recognition of local area service clubs who sponsor athletes or athletics has been added.

Special highlights were achieved this year with the recognition of six CIF championship teams, two of which were girls' teams. At the college level, recognition of U.C.S.B.'s runner-up in N.C.A.A. wrestling brought a new height.

Featured speakers ranged from many members of our Round Table to Marv Goux, Dick Butkus, Mike O'Hara, Norm Sherry, Buddy Allin, Al Geiberger, Bill Bertka, Terry Fischer, George Haines, and Duffy Daugherty. These names impact the national sports scene daily.

The Round Table has expended thousands of dollars to help athletics. Creation of Round Table scholarships for City recreation projects will help many local children.

Our future holds more and better of all of the above plus a new feature on the sports scene this fall. A local golf tournament to be co-sponsored by the Round Table and the Summer Sports Festival. Watch for it!

We invite you to join the Athletic Round Table.

Good Sports,

Bill Blythe, President
Santa Barbara Athletic Round Table
History - of the
Santa Barbara Athletic Round Table

In the spring of 1968 two of Santa Barbara's leading sports enthusiasts, Jerry Harwin and Caesar Uyesaka, recognizing the need for an organization dedicated to the assistance and recognition of all sporting activities and athletes in the greater Santa Barbara area, decided on the formation of such an organization. During a period of just three months the Round Table grew to an astounding membership of over 300 citizens also dedicated to the same goals and ideas.

With funds derived from dues, contributions and fund-raising events the Round Table has contributed over $14,000 to help support sports in the area. Besides its assistance to sports, athletes and athletic groups, the Round Table through the efforts of its second president, Bill Bertka, established the highly successful and popular weekly "Press Luncheons" that bring news media, prominent athletic personalities, coaches, athletes, and interested supporters together. These luncheons are presided over by the present president of the Round Table.

The Round Table also established the Annual Hall of Fame Banquet, honoring the outstanding athletes of the year and inducting new members into the Athletic Hall of Fame. Today, the Round Table numbers nearly 300 members with yearly dues of only $5.00 and has become the leading organization in the community for the promotion and publicity of all sporting events and assistance to all sports in general.

On behalf of the City and Recreation Division staff, congratulations to the athletes, coaches and other individuals receiving awards at tonight's banquet. It is a distinct pleasure for the Recreation Division to be associated through cosponsorship with the Santa Barbara Athletic Round Table. Round Table programs have a tremendous impact on sports and recreation activities in the community and serve countless number of people throughout the year.

With summer just a few weeks away, the Recreation Division staff members are making final arrangements for a comprehensive schedule of activities and special events for a variety of interests and ages. We invite you as individuals and families to participate in some form of community recreation this summer. Summer recreation program brochures have been distributed throughout the City identifying the details of each program, including special bicentennial events.

Again, we commend all the Santa Barbara area athletes, coaches and community leaders for their fine accomplishments and wish all of you the best in your future endeavors.

Sincerely,
Richard C. Johns

SPORT - SPORT - SPORT
By George Adams

Road Runners, Cardinals, Missions, Dodgers, Dons, Warriors, Royals, Chargers, Candy Kids, Carmellos, Rancheros, S.B. Athletic Club, Merchants, Gauchos and others have been the names of athletic teams in the South Coast Area.

Pershing Park was the center for baseball, football and horse shows. Santa Barbara College was on the Riveria. Their field, Phelps Field was off Foothill near a present tennis club. S.B.C.C. didn’t exist; Santa Barbara H.S. was between Anapamu & Victoria; Catholic H.S. at Michelmore & Anacapa and Carpenteria H.S. on 101 south of town. S.B.C.C. still building.

W.P.A. funds constructed Laguna Ball Park, Los Pinos Del Mar Plunge and the Municipal Tennis Stadium and what was later called The Barn was the best gym in town located on De la Vina where the bowling green is now situated.

San Marcos and Los Pueblos came along. Bishop Garcia Diego provides the Cardinals with a new home. The Carpenteria Warriors moved to new quarters and Westmont is bursting at the seams. UCSB moved to their present location and all have contributed to the enjoyment of South Coast fans along with the upswings in sports for girls and the booming of soccer, golf, tennis and water sports.

From The Barn on De la Vina to the sparkling gyms of today; from Pershing Park as it was in ‘those days’ to the modern complex of today; from the relays at Peabody Stadium to the Special Olympics and Masters as we know them now youngsters and adults alike have known the joys of competition and the excitement of rooting for their favorite teams.

As we move on to more sports and teams; more facilities and fans lets hope that competition for the sheer joy of competing will always be with us. That those who are responsible for administering our athletic programs will not allow us to stray too far from the spirit of the old quotation -- "When the one great scorer comes to mark against our name he writes not that we won or lost but how we played the game." After all, that is what the Santa Barbara Athletic Round Table is all about.

June '76 finds two good men who have had a tremendous influence on sports and recreation in the Santa Barbara area - "Hangin' it up!" Albert "Bud" Revis of SBCC and Russ Hargreaves of City Recreation are retiring.

Prior to moving to SBCC Bud was Assistant Football and B Basketball Coach at Santa Barbara High School. He introduced football and basketball as the first two sports at SBCC and coached both. He later coached baseball and golf and saw the staff double when one more man was added. At one time he was head coach of football, basketball and baseball during the same school year. To cap off a versatile coaching career he coached women's basketball his last two years and thus rounded out 25 years at SBCC. He has seen the program grow from two sports that free-lanced to a full sports program that is a power to be reckoned with in their conference.

It is safe to say that it is rare to have two such versatile men retiring the same month of the same year in the same city. It is also safe to say that their accomplishments will benefit this community for generations to come.

To cap off a versatile coaching career he coached women's basketball his last two years and thus rounded out 25 years at SBCC. He has seen the program grow from two sports that free-lanced to a full sports program that is a power to be reckoned with in their conference.

It is safe to say that it is rare to have two such versatile men retiring the same month of the same year in the same city. It is also safe to say that their accomplishments will benefit this community for generations to come.

**Area Records: “City of Champions”**

By Paul Yarbrough

News-Press Sports Writer

Santa Barbara once again became the "City of Champions" during the 1975-76 school year. Each high school in the area had either a team or individual capture a CIF, Southern Section, championship.

Carpeteria High, led by first-year coach Lou Panizzon, finally got past its old nemesis Paso Robles and won the Class A football championship for the first time in the school's history by defeating Los Angeles Lutheran in the finals before an overflow crowd at Carpenteria's Memorial Stadium.

Only one local high school failed to reach the football playoffs, with Channel League champion San Marcos bowing in the second round and Santa Barbara and Bishop Diego suffering defeats in the opening round.

Actually, a girls' team won the area's first CIF title of the season when coach Linda Dawson's Bishop Diego volleyball squad captured the Class AA crown. It was the third CIF championship in the school's history.

Mrs. Dawson's quest for a second championship, this time in basketball, was foiled when her Chardinals fell in the quarter-finals before Bravely, 61-60, after making the 385-mile trip to the desert.

Bishop Diego was co-champion of the Tri-Valley League and was eliminated in the second round of the Class A playoffs, while Carpinteria lost in the first round.

San Marcos breezed to the Channel League championship and then took seventh place in the CIF championship swimming meet. Senior Paul Hartloff, also swimming for the Santa Barbara Swim Club, became respected as one of the nation's best freestylers and has strong hopes of making the United States Olympic team.

If Hartloff makes the team and goes to Montreal, that would certainly be sweet frosting on the area's Bicentennial sports accomplishments.
