# Welcome

In preparing for this year's twenty-ninth annual Hall of Fame banquet, I thought, "*What is it that is so magical about this event?*"

It is the excitement on people's faces as they walk through the door. It is the energy of all that is positive and good in this community. Each year we recognize the gifts of our community through the accomplishments of the student athletes, community leaders, coaches, and volunteers. This celebration is about the collective effort it takes to promote and achieve success.

I am proud to be working with such an organization that celebrates what is good in our community. The tradition of the weekly press luncheons, the Hall of Fame banquet, the Girls and Women in Sports Day and the support to local sports organizations continues to grow each year.

This year we are proud to honor another great group of Hall of Fame inductees. Please join me in the celebration of their accomplishments.

So thank you for your support and the support of the Board Members as we celebrate together.

# *History of the Athletic Round Table*

**T**wenty-nine years ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could pitch in and help out the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: *The advancement and betterment of all sports and athletics in the greater Santa Barbara area.*

The Round Table got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The Round Table's first annual banquet was held at Santa Barbara City College on June 22, 1968. A number of outstanding athletes in a variety of sports were honored and the evening's highlight was the induction of local athletes into the Round Table's Hall of Fame.

Harry's Plaza Cafe was the site of the Round Table's first press luncheon held on September 14, 1970. This program was initiated by the new-president, Bill Bertka. These weekly luncheons were similar to a "Monday Morning Quarterback Club." All nine area schools were represented by the head coaches of the sport in season. For 26 years, the Round Table luncheons have continued to be held at Harry's every Monday, attended by standing-room only crowds.

Since their first meeting back in 1968, the Santa Barbara Athletic Round Table has helped hundreds of individuals and organizations by raising funds to support their athletic programs. Through membership dues, contributions, fund-raisers, and grant applications, the Round Table has raised more than \$1,500,000!

Funds are distributed according to need. The Round Table is proud that it has been able to help athletes at all levels compete in events they would otherwise not have been able to attend. With continued community support, the Round Table is confident Santa Barbara's sports opportunities will continue to grow with each new season.

# *Russ Hargreaves Memorial Award*

*Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He loved jogging and was committed to total body fitness. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs.*

## *David de Ponce*

David de Ponce, an employee of the Goleta Boys and Girls Club for over seven years, is a native of Santa Barbara. He attended elementary school locally and then went to Bishop Diego High (class of 1983). David started college at SBCC, then transferred to Humbolt State University in Arcata, CA. where he graduated with a Bachelor of Arts Degree in Physical Education with a minor in mathematics in 1988.

David's work experience in the recreational field began in college when he would work during the school year for the Intramural Dept. In the summer he would work for the Youth Activities Division of the Parks & Recreation Dept. of Santa Barbara. He was awarded Employee of the Month in July of 1987 by the City of Santa Barbara.

After graduating from Humbolt State, David began his employment as the Athletic Director with the Goleta Boys Club. In 1995 he became the Interim-Club Director. Eventually the Goleta Boys and Girls Club Board of Directors selected David as Club Director, a position which he has now held for over a year.

David and the Goleta Board of Directors work with a team of 3 full-time employees and 20 part time employees. Under their direction the club has shown an increase in its participation numbers. As the programs increased so did the operating budget of the club from \$325,000 in 1995 to \$526,000 in 1996. For his efforts David received the Employee of the Year Memorial Award from the United Boys and Girls Club of Santa Barbara.

The Santa Barbara Special Olympics introduces Gerald Martinez, the 1996 Athlete of the Year. Gerald is a native of Santa Barbara who lives with his parents, three brothers and four sisters. He went through the local school system, starting with Peabody, Garfield and McKinley Elementary Schools. At the age of 21 he attended Alpha Training Center which has continued to be his home for about 13 years. His training here includes skills in independent living, social and communication skills and physical education.

Physical Education is one of Gerald's favorite subjects. Gerald started with softball 7 years ago. With his pitching skills, Gerald has led his team to many victories. When the other students from Alpha play as a team, the dynamics of the group is very obvious. They treat each other like brothers and sisters, helping each other.

*Cathy Sanford*  
*Santa Barbara City College*

The staff and faculty and Santa Barbara City College and the Athletic Round Table laude Cathy Sanford for this well deserved honor. Cathy has served as a local high school teacher for over 27 years and as a coach for Santa Barbara High School and Dos Pueblos High School for 17 years. Since coming out of retirement last year, Cathy has been coaching the SBCC Vaqueros Ladies Tennis Team. This year her team *slammed* the Western State Conference tournament title with a 12-1 record. It should be noted that the Lady Vaqueros were undefeated in conference with an 11-0 record!

During her coaching career she has successfully raised six children. It is no surprise that they all played and excelled in tennis throughout their years in high school and college. Cathy manages to play competitive tennis with her tennis coach husband and friends on a regular basis. In addition, she finds time to enjoy her 10 grandchildren.

According to SBCC Athletic Director, Bob Dinaberg, Cathy Sanford has carried on a great coaching tradition at City College, established by Pat MacPhee and Ingrid Schmitz. Schmitz, who led the Lady Vaqueros Tennis Team to a Western State Conference title last year, has retired to spend time with family. "Cathy enjoys a challenge and took her coaching job seriously," Dinaberg says. "She is a class act and we are thrilled that we can have such a professional on our SBCC coaching staff."

## Jack Trigueiro Santa Barbara High School

The Santa Barbara High School Dons have compiled one of the top high school tennis records in the nation under Trigueiro's tutelage. Earlier this month they won their 29th straight Channel League title enroute to an 18-1 overall record. They also began play this week in quest of their ninth straight California Interscholastic Federation 4-A championship and their 11th in the past 12 years.

Trigueiro is no stranger to winning the High School Coach of the Year Award. This is his third time to claim this honor. Jack won it in 1970 after guiding the Dons' basketball team to one of his five Channel League titles. He also won it for tennis in 1986. As the Dons' basketball coach, Trigueiro posted a 240-90 overall record and won 5 league titles before stepping down as cage coach in 1978.

A native of Bakersfield and a 1964 graduate of UC Santa Barbara where he played basketball under the late Art Gallon, Trigueiro began his coaching career at SBHS that same year. Trigueiro credits Gallon for his own coaching philosophy.

*"As a coach I try to help kids understand themselves to be successful human beings," Trigueiro said. "As a coach I have learned a lot about myself and hopefully have improved as a human being."*

## 1996 HALL OF FAME

### *Larry Moriarty* *Outstanding Athlete*

A late bloomer, he was just 5'10" and 170 pounds when he played noseguard at Dos Pueblos High School. But he grew to be 6'2" and hit the weights hard to bulk up to 223 pounds when he decided to return to the gridiron at Santa Barbara City College in 1979. As a fullback, he helped lead the Vaqueros to the Western States Conference Championship.

Notre Dame took notice and made him the first junior college player to ever receive a football scholarship from the Fightin' Irish. Moriarty cracked the starting lineup at Notre Dame as a junior and scored the first touchdown of the Gerry Faust Era, catching a 7-yard TD pass against LSU. He averaged 6.2 yards per carry during his collegiate career and caught 18 passes during his senior season.

Larry made the NCAA's All-America Strength Team,

was clocked at 4.65 in the 40-yard dash and had a vertical leap of 38 inches.

Moriarty was selected by the Houston Oilers in the fifth round of the 1983 NFL draft and started as a blocking back for much of four seasons with the club. He was selected as the AFC Offensive Player of the Week in November of 1984 after rushing for 117 yards in a 17-16 win over Kansas City.

Two years later, the Chiefs traded Moriarty midway through the 1986 season. He spent parts of three seasons in Kansas City before retiring from pro football. During his NFL career, Moriarty started 41 games, rushed for 1,904 yards on 496 carries, and caught 77 passes for another 494 yards. He also scored 16 touchdowns in the NFL.

## 1996 HALL OF FAME

### *Jim Odoms* *Outstanding Athlete*

Jim Odoms made a name for himself on the gridiron growing up in Santa Barbara!

Odoms, a 1975 graduate of Dos Pueblos High School and star nose guard for the Charger football team, was one of the few players to ever be named to the All-Channel League first team for three straight years. During his senior season, he was selected as the league's Player of the Year and was also named to the National High School Coaches Association All-American team.

Odoms was voted as Most Valuable Player at the County All-Star Football Game and was also chosen to play in the Shrine All-Star game at the Rose Bowl in Pasadena.

But his talents weren't restricted to just football. He was a four-time All-Channel League selection in track and field, taking fourth place in the CIF shot-put. In wrestling, he suffered only two dual-meet defeats.

Odoms continued his athletic career at North Texas State where he was a four-year letterman, starting 21 games. He was team captain during his senior season.

He is currently the defensive coordinator for Marcos High School, which has made the Texas State Playoffs during each of the last five seasons and which advanced to the championship game last fall. Odoms also teaches physical education in an elementary school.

## 1996 HALL OF FAME

---

### *Anne Tweedy Whitford* *Outstanding Athlete*

Her athletic career began at the very young age of seven years old. She was introduced to competitive swimming through a youth program at the Santa Barbara YMCA. In just a year's time she set an Amateur Athletic Union age group record in the 50 yard freestyle. She continued her dominance in age group swimming throughout her school years. Before her career ended, Anne Tweedy had blossomed into a world-class swimmer. Her next goal was to win an Olympic Medal. It wasn't for her lack of athletic excellence or effort which prevented her from reaching this goal.

Anne Tweedy probably can't help but think now and then about what might have been. If it hadn't been for politics, the Santa Barbara native might be the proud owner of that Olympic Medal. The year was 1980. Anne was ranked third in the world in the 400 meter individual medley when she was just a 17 year old senior at San Marcos High School. She was gearing

up for the Olympics, but that was the year the United States boycotted the Olympic Games in Moscow. President of the United States, Jimmy Carter, made this unprecedented gesture to the world in protest of the Soviets' intervention in Afghanistan. Because of this international situation, Anne Tweedy was denied her chance at an Olympic Medal.

Anne didn't let this disappointment stop her love of competition. She went on to star for the Cardinal swim team at Stanford University. Anne graduated with a major in human biology.

Currently Anne lives in the greater Sacramento area with her family which includes two children. Between shuttling her children to golf and tennis competitions, she is a school teacher.

Anne Tweedy certainly deserves a place of honor as one of the finest female athletes from Santa Barbara.

## 1996 HALL OF FAME

*Sam Adams*  
*Coach*

He was known simply as “The Rock” during his 34 years as Head Track & Field Coach at UCSB. A man of chiseled face and heart of gold, Sam was loved by the numerous athletes who got to train under him. When asked “What do we have to do today?” he always told his athletes, “You don’t have to do anything, but you *get* to do...” Gaucho coach Nick Carter took him on as an assistant in 1959, and he succeeded Carter as head coach in 1963. Before Sam retired in 1992 he had coached the Gauchos to a runner-up finish at both the 1967 and 1968 NCAA College Division National Championships.

Sam grew up in the Santa Ynez Valley, graduating from Santa Ynez High in 1949. He competed in track and field at Cal Berkeley and finished fifth in the decathlon at the 1956 U.S. Olympic Trials. His expertise in the decathlon launched Adams into international prominence. He made three trips to the former Soviet Union as coach of national multi-event teams during the cold war years.

As an athlete, Sam Adams competed in the 1952 and 1956 Olympic trials in javelin and decathlon. As a coach, Sam created a welcoming atmosphere at UCSB as Olympic hopefuls came from around the world to train here. In the 1980’s, the S.B. Outreach Club was formed from the numerous multi-event athletes trained under Sam. In the 1980 & 1984 Olympic Trials, the Outreach Club had 15 *multi-eventers* competing.

Highlights of Sam’s career include being selected as the USA National Team Head Coach in 1981 and for the Pan African Competition. He was the USA Head Coach for the 1st USA dual meet with E. Germany and twice led the USA team to Russia.

But Sam is best known for the countless hours he gave to athletes as they struggled to achieve their personal best on the track and he quietly taught them how to achieve their personal best in life.

## *Scholar-Athlete of the Month*

*Sponsored by the  
Human Performance Center*

The Santa Barbara Athletic Round Table Scholar Athlete of the Month Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who maintain strong academic and extracurricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extracurricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Athletic Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It also is a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present the 1995-96 Scholar Athlete Awards to:
