Welcome

Welcome to the Thirtieth Annual Hall of Fame Banquet!

Can you imagine 30 years of honoring athletes, coaches, and leaders of our community? Did Jerry Harwin and Caesar Uyesaka have any idea where their concept would be 30 years later? So I salute them and their gift to the community. When you look at the list of the people inducted into the Hall of Fame, you can see what a special community we live in. I am proud to work with the Santa Barbara Athletic Round Table as we salute our new group of very special Hall of Fame inductees. I invite you to join in the celebration of their accomplishments.

Each year we also recognize the accomplishments of the student athletes, community leaders, coaches and volunteers. This celebration is about the community effort it takes to promote and achieve success.

Over the years, at the weekly press luncheons, the Athletic Round Table has recognized thousands, mostly youth, through the Athletes of the Week, Scholar-Athlete of the Month, Sportsman of the Month and the athletes the coaches bring each week to introduce and talk about. The tradition of the weekly press luncheons, the Hall of Fame banquet, the Girls and Women in Sports Day and support to local sports organizations through grants, continues to grow each year.

We invite you to join in the celebration of all of the honorees and their accomplishments.

*Joan Russell, President
Santa Barbara Athletic Round Table*

History of the Athletic Round Table

Thirty years ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could pitch in and help out the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: *The advancement and betterment of all sports and athletics in the greater Santa Barbara area.*

The Round Table got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The Round Table's first annual banquet was held at Santa Barbara City College on June 22, 1968. A number of outstanding athletes in a variety of sports were honored and the evening's highlight was the induction of local athletes into the Round Table's Hall of Fame.

Harry's Plaza Cafe was the site of the Round Table's first press luncheon held on September 14, 1970. This program was initiated by the new-president, Bill Bertka. These weekly luncheons were similar to a "Monday Morning Quarterback Club." All nine area schools were represented by the head coaches of the sport in season. For 27 years, the Round Table luncheons have continued to be held at Harry's every Monday, attended by standing-room only crowds.

Since their first meeting back in 1968, the Santa Barbara Athletic Round Table has helped hundreds of individuals and organizations by raising funds to support their athletic programs. Through membership dues, contributions, fund-raisers, and grant applications, the Round Table has raised more than \$1,600,000!

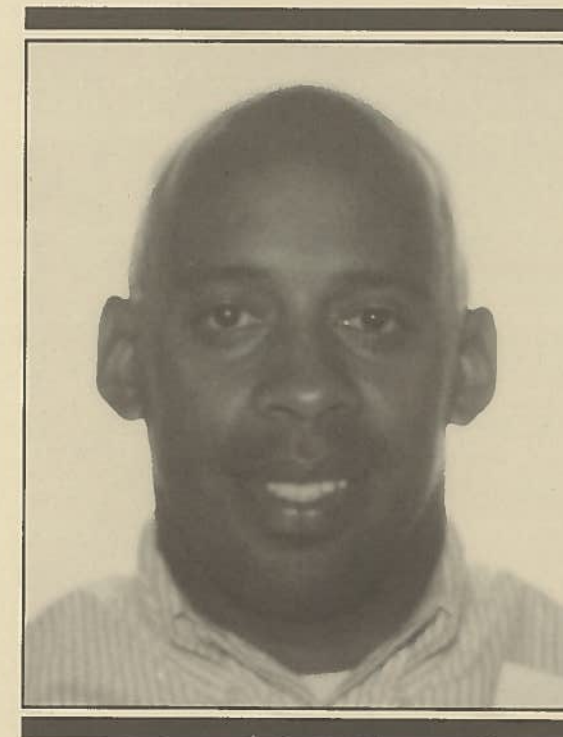

Funds are distributed according to need. The Round Table is proud that it has been able to help athletes at all levels compete in events they would otherwise not have been able to attend. With continued community support, the Round Table is confident Santa Barbara's sports opportunities will continue to grow with each new season.

Russ Hargreaves Memorial Award

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He loved jogging and was committed to total body fitness. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs.

KEVIN REDDICK

Kevin was born in Bakersfield, California, and attended both high school and junior college there. In 1984, he enrolled at Westmont College. As a member of the Westmont baseball team, he was voted team captain and was drafted by the San Francisco Giant Organization in the 15th round in 1986.

He has been Unit Director of the Downtown Boys and Girls Club for the past seven years. This year the Club is embarking on a \$1,000,000 facility renovation and enhancement program.

Kevin has coordinated the Hoods in the Woods project which introduces inter-city youth to the wonders of the wilderness. He is a member of Santa Barbara Pro Youth Coalition and past board member of Kids Passport to the Arts. Kevin also finds time to be an enthusiastic member of the Multi-Cultural/Diversity Ad Hoc Committee. As an alumni of Westmont, he now serves on the College President's Advisory Council.

Congratulations to a dedicated community leader of our Santa Barbara youth.

Special Olympics Mayor's Trophy

This award was first established by Mayor David Shiffman. It is presented annually to a "Special Olympic Athlete."

JEFF GORHAM

The Santa Barbara Special Olympics introduces Jeff Gorham, the 1997 Athlete of the Year. Jeff was born 57 years ago in Los Angeles. In June 1952, he moved from the San Fernando Valley to Hillside House here in Santa Barbara. Along with all the activities that go on at Hillside House, Jeff volunteers at the Red Cross twice a week, enjoys gardening and reads in his spare time.

Jeff's interest in sports began when he was 14 years old. He had a pocket radio and would listen to the San Diego Padres until 4 in the morning. Jeff currently uses a wheelchair to get around and has since age 15. He refers to his chair as "one of the best pals I've ever had." Jeff's enthusiasm about life and its circumstances are infectious, inspiring everyone around him to be their best. He currently assists the Recreation Therapists at Hillside in weekly Special Olympic training. "I get a kick out of watching the residents do things they didn't think they could do."

His first memory of working hard using his upper body and muscles is when, at age 15, he spotted a large loom and convinced the occupational therapist that he could use it, despite her telling him it was something he couldn't do. "Someone telling me I can't do something just boils me into doing it! I've made a lot of baby blankets on that loom."

Jeff has been involved in Santa Barbara Special Olympics since the inception of the local program. His favorite sports are swimming and track and field. "What I like best about Special Olympics is the challenge it offers me! It really does bring out the best in a person."

Louise Lowry Davis Award

Louise Lowry Davis was Supervisor of the S.B. Recreation Dept. for over 30 years before retirement in 1966. As director of the Women's Sports League, she made women's sports activities one of the biggest draws in town in the 1930's and 1940's. Louise was a State Champion and nationally ranked in 1936 and 1939 in table tennis. Over the years, Louise has generously contributed to the youth of Santa Barbara. This award is given to a woman recognized as a player, coach or sponsor who excels in leadership and sportsmanship.

JOAN RUSSELL

Joan Russell has been active in women's athletics as an athlete, coach and leader. From the early days of Title IX, Joan was given the nickname of *Trouble* for her outspoken requests for equal opportunities and support for women's athletics. The first woman to become President of the Santa Barbara Athletic Roundtable started out "*just wanting a chance to play.*"

At UCSB, Joan lettered in both Volleyball and Track & Field. SBART named her Athlete of the Year for both sports in her senior year. She competed for 4 years on the volleyball team which twice placed third at Nationals. UCSB started a track team when Joan was in her junior year. Within a year, Joan was UCSB's first point scorer at collegiate Nationals with a fifth place in the pentathlon. She made her first USA Track and Field Team the next year. That started 6 years of international competition in the pentathlon/heptathlon that included a sixth place finish at the 1980 Olympic Trials and a fifth place at the 1984 Olympic Trials.

From there, Joan became involved in the first Athlete Advisory Committee for USA Track and Field and served on the Executive Women's Committee. She has been named to many USA coaching positions including the 1995 Pan-American Junior Championships.

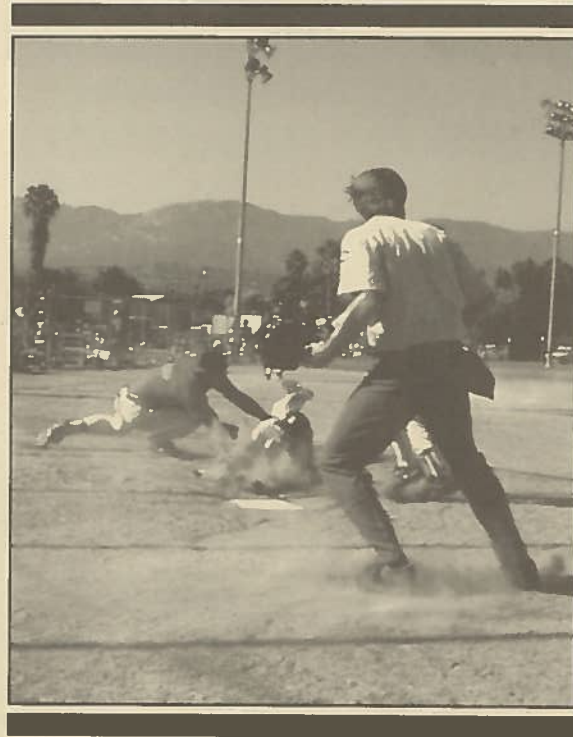

Locally Joan has helped develop the National Girls and Women's Sports Day SBART luncheon that involves 200 female athletes. When not involved in sports and athletics, she finds time to be the City's Recreation Programs Manager which over-sees programs in sports, aquatics and cultural events for youth and adults.

SANTA BARBARA SOFTBALL CLUB

The Santa Barbara Softball Club was founded in 1969 to foster, promote, regulate, conduct and supervise amateur softball in the Santa Barbara Area.

Its goal is to engender a spirit of cooperation and friendship of cooperation and friendship between the members of club in amateur softball competition and to see that the standards of good sportsmanship are maintained at all times.

There are over 3,500 membership participants each season, March through July and September through November. The Club has contributed over \$200,000 to Las Positas Park for the construction of the three softball fields. For the past four years they have contributed over \$6,000 to the annual KEYT-TV Christmas Unity Drive. Annually the Softball Club contributes \$26,000 to the Las Positas Park Foundation Field Maintenance Fund.

The Softball Club has provided over 300 Softball Tournaments for the men's, women's and coed teams since 1969 in the Tri-Counties.

Congratulations on your great team efforts!

GOLETA VALLEY GIRLS SOFTBALL ASSOCIATION

The Goleta Valley Girls Softball association receives this year's MacFarland Award after two decades of service in the South Coast Area. This club was founded in 1969 to foster, promote, regulate, conduct and supervise amateur softball in the Santa Barbara Area. Its goal is to engender a spirit of cooperation and friendship between the members of the club in amateur softball competition and to see that the standards of good sportsmanship are maintained at all times.

With the entrance of the sport in the most recent Olympics, it is an exciting time for girls who want to play softball. The GVGSA has grown substantially in recent years by adding divisions for younger girls including a T-Ball division for those seven years of age and younger, and a Rookie division for eight year olds.

The league moved its playing site from the grass fields at Goleta Valley Junior High to the cut-out softball diamonds at San Marcos High, which it helps maintain for the school district. The league has also offered its assistance to build a four-field community softball complex at Dos Pueblos High School.

Scholarships

Cox Cable/ESPN 2 Scholarship

RYAN MCFADDEN

Ryan will graduate from Santa Barbara High School in June with a 3.6 GPA and hopes to attend Claremont McKenna college or UCSB. Ryan is a four year member of both the Water Polo and Swim Teams. He served this year as Captain of both teams. He was voted First Team in the Channel League and First Team All-CIF.

This accomplishment is particularly noteworthy because Ryan has also struggled with a disability. At the age of three, he fell and suffered a skull fracture and had permanent nerve damage in his left ear. His skull healed, but the nerve damage caused permanent deafness in his left ear. To compound matters, last Winter, Ryan suffered a ruptured ear drum in his only functioning ear. This injury left him completely deaf until he received reconstructive ear drum surgery. During this two month period Ryan adapted to a world with little sound. In school he was able to still keep up his grades by reading teacher's lips.

For other activities, Ryan enjoys the Junior Statesman of American debate club at school and is an active participant in Triathlons, ranking number two in the nation for his age group when he was sixteen.

Cox Cable/ESPN 2 Scholarship

JAMI DOW

Jami will graduate from Santa Barbara High School in June and her college choices include UCSB, Fresno State, Cal Poly, Cal State Northridge, and UC Davis. Jami has achieved an excellent 3.76 GPA and has a career goal of becoming a Sports Trainer or Physical Therapist.

Jami has played on the Varsity Softball Team for four years and was selected as Captain this year. Jami also played on the Junior Varsity Soccer team for four years and helped coach an AYSO team this past Fall. In 1994 she was voted Most Improved Player of the Softball Team and she received the Coaches' Award in 1996.

Active with Summer Travel Softball teams, Jami has been playing with the Waves for several years and also for the Gold Coast Bandits and Summertime Blues teams.

With her free time, Jami has performed community service for a homeless shelter and she also works part-time at Baskin Robbins. One of her teachers states: "Jami is a motivated, athletic, funny, caring individual who strives for excellence. She has the discipline and ability to succeed at the college level."

MASTERS ATHLETE OF THE YEAR

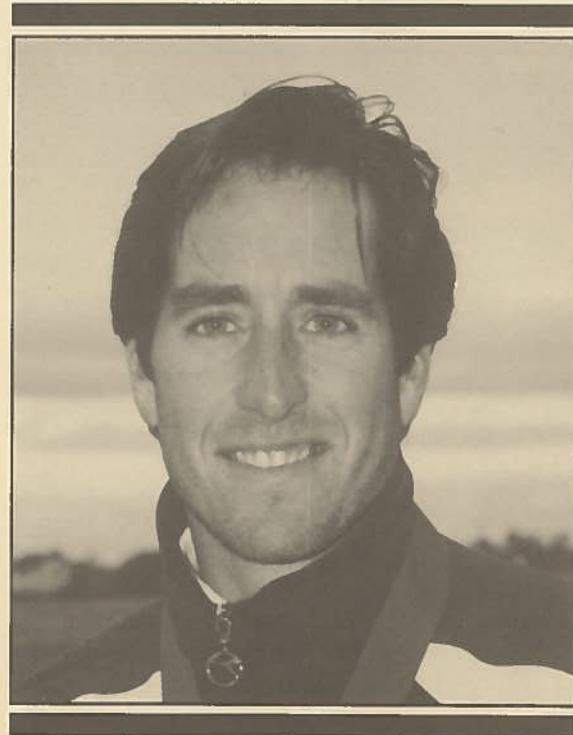

Grace Altus

Grace, a UCSB graduate, long time resident, and supporter of athletics in Santa Barbara, is a Swim Club Masters. At the age of 73, she has manytimes been a U.S. Masters Swimming All American. As a distance swimmer, she has been ranked in the top 10 swimmers in her age group in the 400 meter, 800 meter, and 1500 meter freestyles and in 500 yard, 1000 yard, and 1650 yard freestyles. However, it is Grace's positive outlook that sets her apart. In 1996, after her arm was broken in a car accident, she was back in the water the day her cast was removed, with a new emphasis on her stroke technique and did a weight room rehabilitation program. Just a few months after the accident, Grace's determination allowed her to place in the top 3 in the 70-75 age group at the U.S. and British One Hour Swim for Distance Race. In just that one hour, Grace was able to swim further than many swimmers half her age.

TIM VOM STEGG
Santa Barbara City College

Tim Vom Stegg is the only coach that Santa Barbara City College men's soccer program has known. The program, begun five years ago, enjoyed its greatest season in 1996 by compiling a 20-2 record, winning the Western States Conference Championship and defeating Palomar College for the California Community College State Championship. The 6-0 victory in the championship game was the largest margin of victory in the 23 year history of the championship game. Under Coach Vom Stegg, the men's soccer program has won 4 Conference Championships, reached the State Championship Game in 1993, and has recorded 80 victories with only 13 defeats.

Tim Vom Stegg was honored this year with his fourth Western States Conference *Coach of the Year Award* and was also selected as the 1996 *California Community College Coach of the Year*.

Tim attended UCSB from 1985 to 1989 graduating with honors with a major in American History. He went on to get his teaching credential and his Master's Degree in American History. While he attended UCSB, he played Soccer for 4 years and was Captain during his last two years. Tim received the Golden Eagle Award as a top Scholar-Athlete in soccer at UCSB. Currently Tim is the Athletic Director at Bishop Diego High School.

Tim and his wife Almeria just had their first child, Justin, on April 5th.

JEFF HESSELMAYER
Dos Pueblos High School

Jeff Hesselmeier has responded to the call of *Coach* from many athletes at Dos Pueblos High School. They have been in the sports of Football, Baseball, Boys' Basketball and Girls' Basketball. He has been an ardent supporter and teacher of those participating in athletics regardless of their ability or potential. Interest, work and dedication to the task have been the key ingredients for the success of Jeff's athletes.

He became the Head Football Coach at Dos Pueblos in 1989. This coincided with the decision by the School Board to close Dos Pueblos. The resulting drop in enrollment provided low numbers for the team. Although the Chargers fielded spirited teams, they had difficult times competing in the Channel League. Coach Hesselmeier created a plan with a passing offense to help his team compete against larger schools with more players. Quarterbacks Armando Gonzalez, J.T. Stone and Anthony Ramos established new school records in passing the next five seasons.

The teams of 1995 and 1996 finished second in the league and entered the CIF Play-Offs. This year's team won its first eight games and captured the hearts of the community with its competitive and exciting play.

Coach Hesselmeier's commitment to the principles of athletics has carried DP through the period of school closure, low enrollment and an uneven field of competition. His creative and daring plan has placed Dos Pueblos at the forefront of football success and excitement.

Jerry & Jerry Scholarship

This scholarship was established in 1991 to honor Jerry Pimm, the UCSB basketball coach, and his arch-rival and friend, Jerry Tarkanian, basketball coach of UNLV. It is awarded in their names by the Round Table for their fundraising efforts. The recipient must excel in both athletics and academics.

JENNIFER SOROSKY

Jennifer will graduate from SBHS in June with a 3.82 GPA. Her college choices include UC Santa Barbara, UC Davis, San Diego State, or UC San Diego where she will pursue a major in Communications or Journalism.

Jennifer served as Team Captain for Varsity Girls Basketball and also garnered honors as leading scorer on the team and in the league. Her basketball coach wrote that when Jennifer started with the team, she was an enthusiastic, but average player. Jennifer was so determined to be a leading contributor to her team that she would shoot 600 shots every morning before school and after practice each day she would play for at least an extra hour. Her coach wrote that "The turn in her basketball career is a great reflection of her intense determination to succeed." The person who was an average player a few seasons ago, is now considered among the best player high school basketball players in California.

Jennifer also played on the Sharks' Club Basketball Team, and assisted with the Tides Club Team. She carries her enormous love of basketball with her to another extracurricular activity serving as Sports Editor of the school newspaper. She also volunteers for the Children's Creative Project. Jennifer is a member of the National Honor Society and CSF. Her teachers praise her as an excellent role model: responsible, hard working, articulate, confident and acts with integrity.

Congratulations, Jennifer, on an award well deserved!

1997 HALL OF FAME

Michael J. Morando
Outstanding Athlete

Michael Morando is currently serving as offensive Coordinator for Bishop Diego High School Football where last year he helped lead the team to a 9-2-1 record, setting and breaking many offensive records for the Cardinals.

Michael graduated from Catholic High School in 1955 after accomplishing the following: 1951-1952 was "All League" "B" basketball and he set the game scoring record of 28 points. In 1954, he was Junior Class President, earned "All League" in Varsity Basketball and served as Team Captain in the State Finals. In 1955 he was elected to serve as Student Body President and set a scoring record in Varsity Basketball of 30 points. He also received "All League" recognition in both Varsity Football and Varsity Baseball.

While attending the University of Notre Dame from 1956-1959, Michael lettered in track and set the school record in javelin which still stands. He won the javelin event at Central Collegiate Track Meet in Milwaukee in 1958 and was named Most Improved Player.

During his U.S. Military Service he received the Distinguished Flying Cross from the U.S. Air Force plus 21 air medals for missions flown in Vietnam. He flew DC 10's and was Captain on 727's and F-100's while flying for American Airlines.

His distinguished coaching career began in 1969 as Head Coach for the United States Air Force Academy Handball Team. During 1971-1974, his teams placed in the top six at the U.S. Handball Association Collegiate Championships.

1997 HALL OF FAME

Cindy Schmandt Scannella
Outstanding Athlete

A decade after it became legal for women to compete in track races longer than a half mile, Cindy Schmandt of Santa Barbara High ran a two-mile that would have beaten most of the boys who competed in high school.

The year was 1979. The place was Cerritos College. The event was the CIF Southern Section girls' two-mile final. Schmandt ran the first mile in 5:06.6 a blistering pace. The only hope for the runners chasing her was that she would melt down. This was not a likely prospect. But with 500 yards to go, after two rivals had closed the gap, Schmandt picked up speed again. She was too strong and too determined to let any of the other runners go by her.

Such is the commitment that produces records. Schmandt crossed the finish line in 10 minutes, 20 seconds – the fastest girls' two-mile ever recorded in a Southern California high school meet.

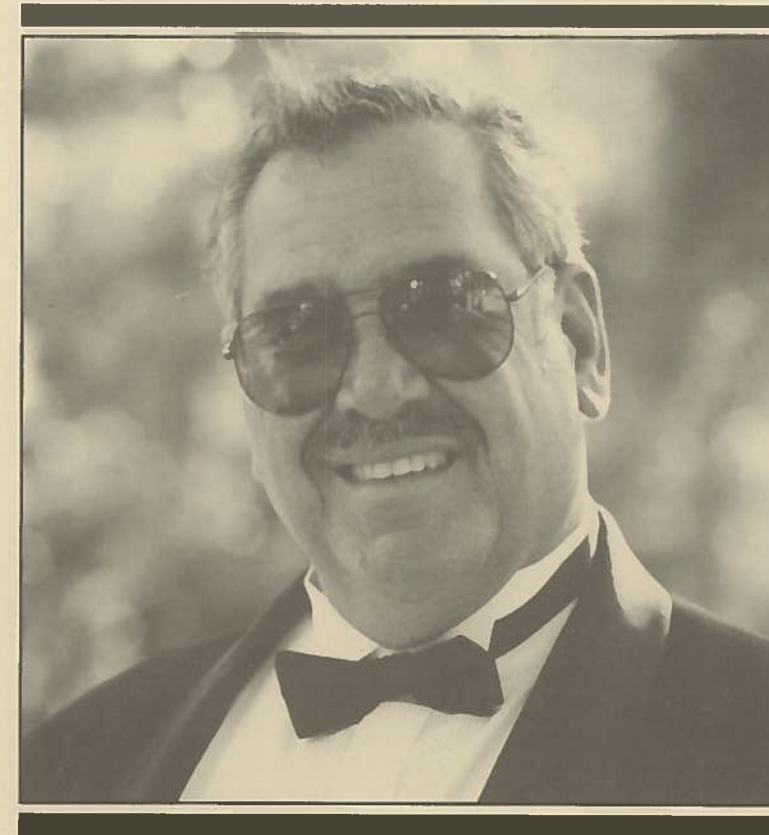

In the 18 years since then, just five other runners have beaten Schmandt's time in CIF-SS competition and her 4-A division record lasted until 1995. She still holds Santa Barbara County records for the two-mile and the mile (4:51.9)

Where did she get her drive? "From my father," she said. She remembers going to baseball games with Rodger Schmandt. "He gave me my love for sport and my competitiveness."

Schmandt took those qualities to Cal-Berkeley and was an All-American in the women's 3,000 meters as a sophomore, but injuries cut her career short. She coached cross-country and track at New Mexico.

Married to former Pac-10 hurdles champion, James Scannella, mothering their 4 year old son is now Cindy's joy. "I focus on one thing at a time and do the best I can," she says.

1997 HALL OF FAME

Bob Dinaberg
Coach

Bob Dinaberg begins his 18th year as Athletic Director at Santa Barbara City College. A college employee since 1969, Dinaberg also served as Head Football Coach from 1969 through 1986. As a native of Los Angeles, he attended Hamilton High School, Santa Monica City College, and graduated from UCLA, where he played football for the great Red Sanders. He received his Masters Degree in Physical Education from Fresno State University. Prior to coming to Santa Barbara, Dinaberg was a Graduate Assistant in Football at UCLA, a teacher and coach in Los Angeles, Head Football Coach at Clovis High School, Assistant Football Coach at Fresno City College and Head Football Coach at California Western University (now U.S.I.U.)

As Santa Barbara City College Head Football Coach, Dinaberg's record was 119-62-3 with 8 Conference

Championships. Bob served as President of the California Community College Football Coaches Association from 1975-76. He was President of California Community Colleges Athletic Directors' Association from 1986-87. From 1991-92, Bob was President of the National Association of Two Year College Athletic Administrators, and from 1994 to 96, he was President of the Western State Football Conference. Currently he serves as President of the Western State Conference. The Athletic Round Table has honored Dinaberg as Coach of the Year three times. He has been honored as the Cal Coaches Community College Athletic Director of the Year. Bob is also a member of the California Community College Football Coaches Association Hall of Fame.

Bob has been married to his wife, Joan for 38 years and they have two married daughters: Pam and Leslie.

1997 HALL OF FAME

Cindy Banks
Outstanding Athlete

Cindy Banks graduated from San Marcos in 1975. During her high school career, she was honored as an outstanding athlete in both basketball and track. She continued her track career at Santa Barbara City College and, in 1978, was the League Champion in the 100 meter sprint, the discus and the javelin. She was also State Champion that year and set a record for the discus.

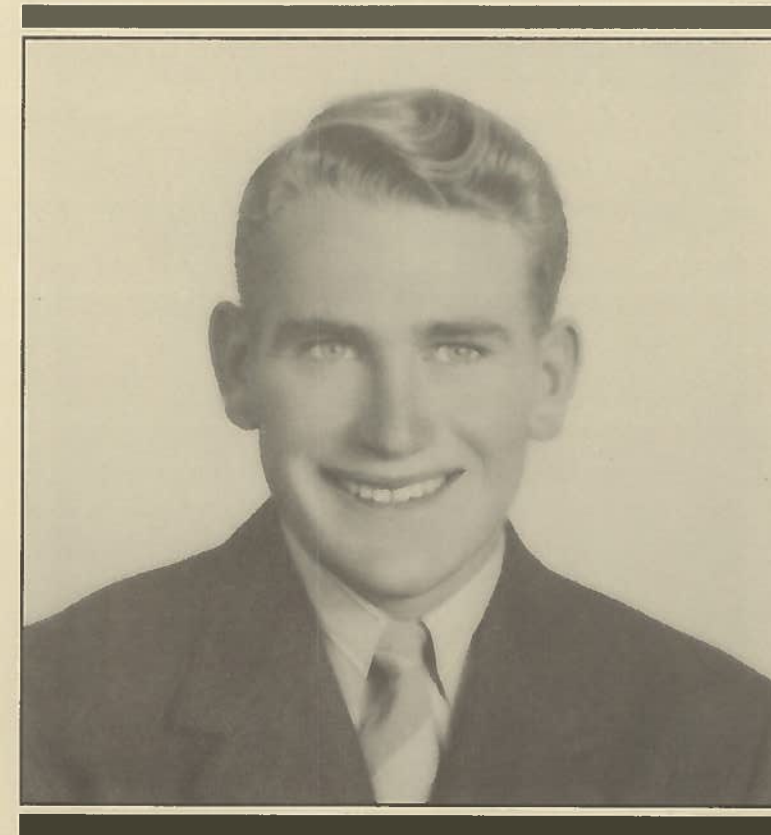

Cindy moved on to UC Berkeley in 1980 where she distinguished herself in the pentathlon. She set the school record in this event, as well as in shotput, javelin and 400 meter relay. Additionally, she placed 5th in the Collegiate Nationals in the pentathlon.

Cindy's athletic acumen was characterized by opposing coaches when they referred to her as, "Cal's one woman wrecking crew" for her multi-event totals in dual and triangle meets.

After her outstanding performances at Cal, Cindy went on to the Olympic trials where she placed 10th and was ranked number six in the nation in the heptathlon.

On a personal note, she was blinded by the light of the *Golden Toe* and married him. They have three wonderful daughters.

1997 HALL OF FAME

Phil Olds
Outstanding Athlete

Born in Santa Barbara, Phil Olds grew up in Summerland and was a star athlete during his high school days in Carpinteria. Olds was named MVP six times and in his senior year was MVP in the four major sports: football, basketball, track and baseball.

In 1939, Olds was chosen the *Most Valuable Southern California High School Baseball Player of the Year*. Olds was also a member of the *Helms Hall of Fame for Southern California High School Athletes* and was selected to the News-Press All-Time County Baseball Team. Olds' coach, Merle Staub, called Phil Olds "One of the finest high school athletes I have ever seen."

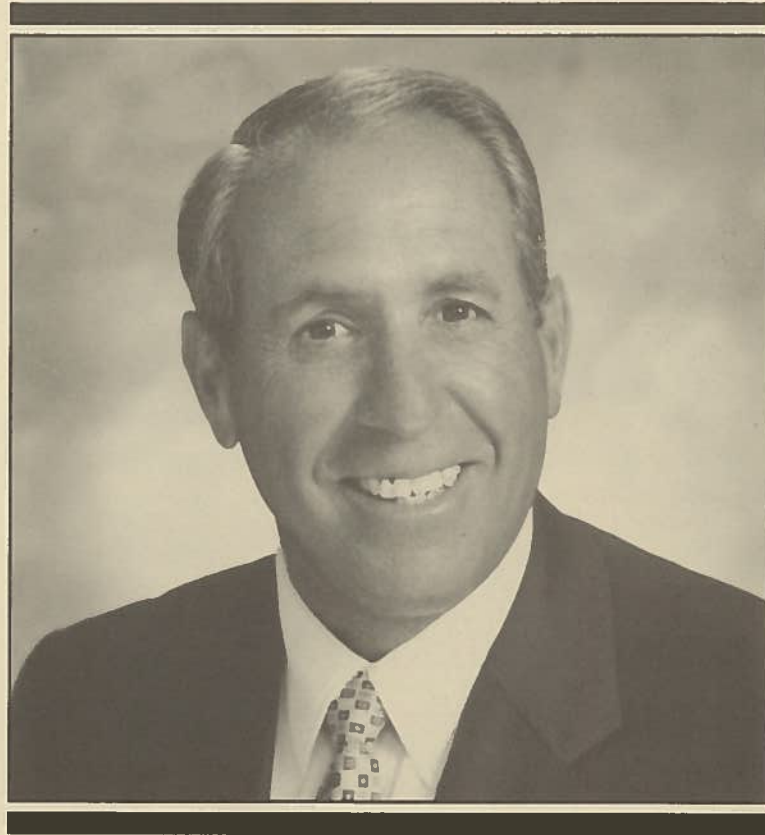

Olds is also a charter member of Carpinteria High School *Hall of Fame*. He attended the University of Southern California on an athletic scholarship, but his activities were cut short by World War II. He

served five years in the Merchant Marine as a Deck Officer. Following World War II, Olds joined the Santa Barbara City Fire Department, where he served for almost thirty years. During his Fire Department years, he competed vigorously in the City Softball and Basketball Leagues.

Asked about his fondest memory while participating in Warrior athletics, Olds states: "Beating Glendale Hoover in basketball in my junior year." Later that year, Warriors went on to win the CIF. In those days there were no divisions in the CIF. A second fond memory was beating Santa Barbara High the same year. His worst memory was "losing in basketball to Ventura in the CIF playoffs in my senior year."

Phil and his wife, Terri, have four grown children: Kristen, Kimberly, Beth and Rick.

1997 HALL OF FAME

Joseph T. Brusca
Community Leader

Joseph Tavaglione Brusca was born in 1944 to Italian parents who both came from large families and whose greatest pride and joy were their children. Joe graduated from Riverside Polytechnic where he excelled in many sports. After graduation, he joined the Ernie Derho Boxing Club, losing only 2 out of 50 amateur fights.

Joe began a career in the title industry in 1963 when he joined First American Title Insurance Company as a courier. Thirty-four years later, Joe is now the Santa Barbara County Manager of First American Title, a position he has held since 1975.

Joe is especially interested in promoting the youth of the community and has sponsored every youth activity imaginable. Because he enjoys sports, youth athletics has been a special interest. Many sponsorships have come from First American Title at Joe's direction. During lean periods, Joe has personally sponsored

both individuals and organizations. The scoreboards at San Marcos High School, the chartered buses for Bishop's championship games, the sponsorship of the annual tennis classic at City College are among his favorites.

There are innumerable occasions when Joe's kindness and generosity have left an indelible mark. Joe saw the news feature about Ina Kristiansen, a UCSB soccer player suffering from leukemia. He called Ina at Cottage Hospital to tell her how touched he was by her courage and asked her what what was going to do after she "beat this thing." Without hesitation, Ina said she wanted nothing more than a vacation. Joe immediately sent her enough money to take the dream vacation of a lifetime. Sadly, Ina lost her battle with leukemia before she could take her vacation. Since Joe refused to take the money back, Ina's family used the funds to establish the *Ina Kristiansen Trust Fund at UCSB* for gifted athletes.

1997 HALL OF FAME

Jim Bashore
Coach

Jim Bashore's involvement in athletics runs the gamut from player to coach to official to athletic director. A 1950 graduate of Oxnard High School, Jim participated in Basketball and Track for the Yellowjackets. A Physical Education graduate of CSU Northridge, Jim then earned a Master's Degree in Education.

His distinguished coaching career began in 1960 at Santa Clara High School, with stops at Thousand Oaks High School and Rio Mesa High, and ended after a 30 year tenure at Carpinteria High School.

During Jim's 12 year reign as Head Basketball Coach, the Warriors won 5 TVL Championships and 6 players won All-CIF Honors. Jim's career mark as the Warrior Basketball Coach was 180 wins and 80 losses. From 1979 to 1987, Jim's boy's tennis teams won 5 TVL titles and won 2 CIF Championships and one runner-up trophy. The boys established a TVL record of 56 consecutive victories.

In 1975, Jim was an integral part of the coaching staff that brought the first CIF Football Championship to Carpinteria High School. Jim has also been involved in the Russell Cup Track Meet for 30 years, serving as the Meet Director for the last 28 years. A stint as the Girls' Varsity Basketball Co-Coach for the 1995-96 season concluded Jim's active coaching career.

For the last eleven years, Jim served as the Athletic Director at Carpinteria. The Warriors were highly successful during this time. They participated in 6 CIF football games and won 4 championships.

Jim served on the CIF Season of Sports, Regional Playoff, and Boys and Girls Basketball Seeding Committees. In 1997 the CIF Executive Committee recognized Jim's contributions by awarding him the prestigious *Gold Life Pass*. He was inducted into the *S.C. Interscholastic Basketball Coaches Association Hall of Fame* in 1996.

1997 HALL OF FAME

Marcia Constance
Special Achievement

Marcia Constance has been an involved resident of the Santa Barbara community for many years. As a business woman and an active tennis player, she has generously donated her time and resources to the development of Las Positas Friendship Park.

This special, regional park is one of the few non-profit public parks in the nation. Much of the park is reclaimed land from the Santa Barbara Landfill. The park has over 60,000 visitors annually and has been labeled by the National Park Service as a Model of Success. Marcia's guidance has lead the way for this success.

Because of Marcia's efforts and those of her family and friends, Las Positas Park has emerged as a premiere sports and recreational center in Santa Barbara. The

park offers signature views of the ocean, mountains and the city along with delightful picnic groves and scenic overlooks. Marcia was instrumental in the development of the park's five sports fields, giving the region three of its best softball fields and two of its finest soccer fields. More playing fields are in the planning stages.

We would like to applaud Marcia's outstanding community service, her dedication to the families and the youth of our region. By helping to develop these fabulous public recreational facilities, and by her active and continuous participation as chairman of the Las Positas Park Foundation, she exemplifies the spirit of generosity and vision that is unique to Santa Barbara.

Scholar-Athlete of the Month

Sponsored by the
Human Performance Center

The Santa Barbara Athletic Round Table Scholar Athlete of the Month Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who maintain strong academic and extracurricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extracurricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Athletic Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It also is a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present the 1996-97 Scholar Athlete Awards to:
