Welcome

*W*elcome to the Thirty-Sixth Annual Santa Barbara Athletic Round Table Hall of Fame Banquet.

I am proud to report to you that our custom continues of honoring our men and women athletes. During the course of the school year, we have held thirty-three luncheons at which we acknowledged over one thousand student athletes, sixty-six Athletes of the Week, ten Scholar Athletes of the Year, nine Special Olympic athletes and five Sports Persons of the month. The Round Table underwrites the cost for the lunches and trophies to honor these fine students and athletes.

Another important function of the Round Table is to make financial grants to deserving individuals and organizations. These groups and individuals represent the mission of the Round Table. This year we have contributed to: Santa Barbara High School, Dos Pueblos High School, San Marcos High School, Bishop Diego High School, Carpinteria High School, Elings Park, Ben Page Center and the George Washington Carver Scholarship Club.

Tonight we rekindle the spirit of all the past athletes and coaches, here in the Hall of Fame. The accomplishments of these men and women are unique and will not be forgotten.

It is a hall, it is a shrine, and it is a very special place where we come to honor a few of our best athletes and coaches. I am very proud to have carried the torch for the past two years.

*Chris Casebeer, President
Santa Barbara Athletic Round Table*

History of the Athletic Round Table

*T*hirty-six years ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The Round Table got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting and over 200 joined that evening as Charter Members.

The Round Table's first annual banquet was held at Santa Barbara City College on June 22, 1968. A number of outstanding athletes in a variety of sports were honored; the evening's highlight was the induction of local athletes into the Round Table's Hall of Fame.

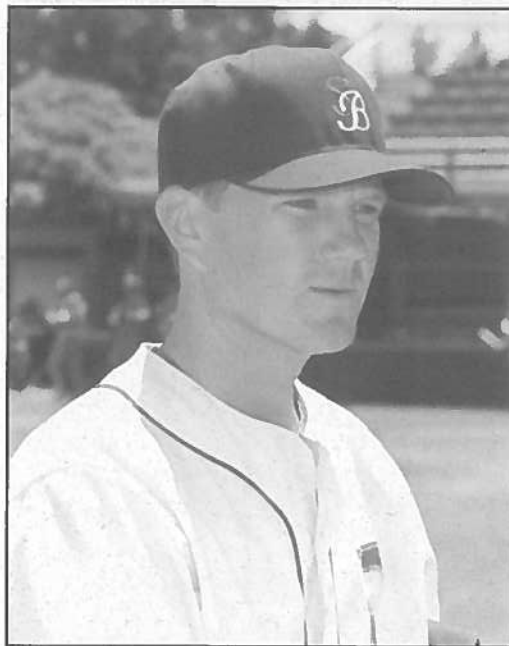

Harry's Plaza Cafe was the site of the Round Table's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All nine area schools were represented by the head coaches of the sports in season. For 33 years, the Round Table luncheons have been held at Harry's every Monday, attended by standing room only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped hundreds of individuals and organizations by raising funds to support their athletic programs. Through membership dues, contributions, fund-raisers and grant applications, the Round Table has raised more than \$1,800,000!

Funds are distributed according to need. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend. With continued community support, we at the Round Table are confident that Santa Barbara's sports opportunities will continue to grow with each new season.

President's Award

Eric Pintard

The fortitude required to face down a batter with the game on the line in the World Series pales in comparison to the courage needed to face Eric Pintard's opponent, cancer. As a standout pitcher for Carpinteria High School, SBCC and San Francisco State, Eric Pintard has never been one to shy away from a challenge. This was no different.

Eric, who also pitched and coached for the local semi-pro Santa Barbara Foresters team, was first diagnosed with a rare spinal form of the disease over a decade ago. Despite the formidability of this opponent, Eric struck out the side. His experience with cancer inspired him to be a co-founder of the Hugs for Cubs Program. The Hugs for Cubs is designed to spread joy for children dealing with cancer.

Although the Hugs for Cubs includes baseball games, trips, parties and even surf lessons, the best benefit was that they were given a teammate and big brother who had been there.

And now, despite the reoccurrence of the disease, Eric Pintard keeps firing 'em in there. Because of his desire to win this battle, he sets a great example to "give it all" for his team on even the roughest of outings. For this, he is a most deserving winner of the President's Award for the SBART.

Russ Hargreaves Memorial Award

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He spent a lifetime creating opportunities for others to enjoy the benefits of recreational activities. He loved jogging and was committed to total body fitness. He knew that a healthy mind and body were the first steps to a happy and productive life. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs.

Peggy Buchanan

Peggy Buchanan is known for her extensive background in the fitness industry and her down to earth, humorous style of teaching. In 1987, she graduated with a masters degree from the University of California in Physical Education with an emphasis in exercise physiology.

Over 23 years ago, Peggy developed the Santa Barbara Jazzercise program for the tri-counties and continues today as a national and international trainer. She has authored several best selling books on low fat cooking and nutrition including "Know More Diet Cookbook" and "Movin' and Groovin'."

Peggy has been honored with numerous awards, including the Jazzercise President's Award, National Pinnacle Award "Best Senior Fitness and Wellness Program, Association of Fitness Educators of Older Adults," Educator of the Year and "International Association of Fitness Professionals (IDEA) International Fitness Instructor of the Year."

Peggy is currently the Director of Fitness, Aquatics and Physical Therapy at Vista del Monte.

Louise Lowry Davis Award

Louise Lowry Davis was Supervisor of the S.B. Recreation Dept. for over 30 years before retirement in 1966. As director of the Women's Sports League, she made women's sports activities one of the biggest draws in town in the 1930's and 1940's. Louise was a State Champion and nationally ranked in 1936 and 1939 in table tennis. Over the years, Louise has generously contributed to the youth of Santa Barbara. This award is given to a person recognized as a player, coach or sponsor who excels in leadership and sportsmanship.

Lisa Braithwaite

As a high school basketball player and track and field athlete, Lisa Braithwaite discovered the thrill of competition and the physical and emotional rewards of physical activity. However, sports did not play much of a role in her life until more recently, when the “big picture” about gender equity in girls’ and women’s lives began to come together through her work in social services.

Lisa received her B.A. in Theater from Pomona College and her M.A. in Education from UCSB. She has worked in the nonprofit sector in Santa Barbara for 14 years, developing programs, curricula, and training materials for women- and girl-focused organizations. It was during this time that Lisa began to recognize the connection between the work she was doing – encouraging healthy minds, bodies and relationships – and sports.

She recognized that without equity and individual empowerment, women will always face obstacles in their paths to success and will lack the skills and resources to overcome these obstacles. Until women and girls see themselves as powerful and strong, they will continue to starve and disfigure themselves in the name of “beauty.” These concepts inspired the creation of Body Electric, which Lisa co-founded with Brenda Britsch in 1997.

Body Electric’s mission is to promote participation, recognition and celebration of local women and girls in sports and physical activity. Programs include the Adventure Club, which provides an encouraging environment for women and girls to learn new sports and activities; The Buzz, a bimonthly info newsletter; the Women’s Sports Book Project, which donates books featuring female athletic role models to schools; Title IX and gender equity workshops; and the Women’s FitFest, a health and fitness fair. The Body Electric Athletic \$1,000 Scholarship is awarded annually to a high school senior female athlete at the SBART National Girls and Women in Sport Luncheon.

Mike Giuliano
Westmont College

Mike Giuliano has spent the last 10 years at the helm of the Westmont women's soccer program and has guided the Warriors to a level of national prominence, including NAIA National Championships in three of the past four years. Westmont went 20-1-3 in 2002 and captured its second straight national title and the fourth in school history. Giuliano earned his third NAIA National Coach of the Year award.

Giuliano is Westmont's all-time leader in career wins with 172 for an average of over 17 wins per season. This has been accomplished while playing a demanding schedule that annually includes NCAA Division I teams, nationally-ranked opponents from the NAIA and NCAA Division II and III levels.

During his tenure, Warrior players have garnered 23 NAIA All-American honors and two NAIA National Player of the Year awards. He has also helped produce several NAIA Scholar-Athletes, plus numerous All-Conference performers, including three GSAC Players of the Year.

In addition to the NAIA national titles in 1999, 2001 and 2002, the Warriors advanced all the way to the NAIA Final Four in 1994 and 1997 and were ranked No. 1 in the nation at the end of the 1996 regular season. They have appeared in the NAIA National Tournament eight times in the past nine years, including a current streak of seven straight years.

It's not surprising that Giuliano has won several Coach of the Year honors. He was named the NAIA National Coach of the Year in 1999, 2001 and 2002, and has earned four awards from the Golden State Athletic Conference ('93, '94, '95, '99) and three from the Far West Region of the NAIA ('94, '96, '99).

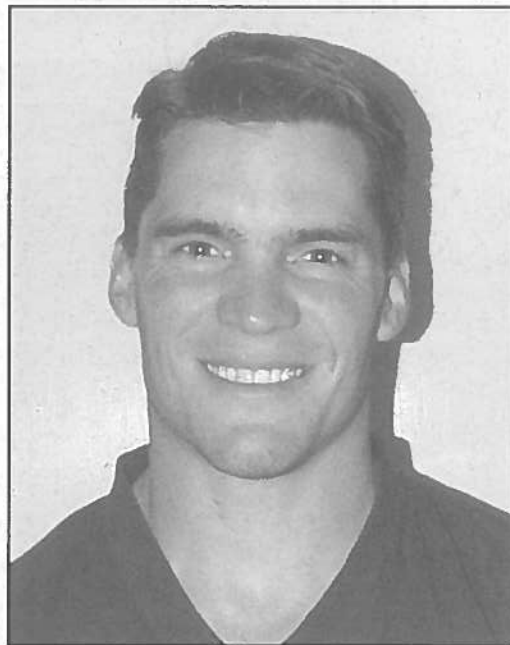

Prior to coaching at Westmont, Giuliano started the women's soccer program at Santa Barbara City College, posting a 3-4-1 mark in the first year. He also spent five years coaching the men's soccer team at Trinity International University in Deerfield, Illinois, winning District Coach of the Year honors.

Giuliano played college soccer at Tennessee Temple University and went on to earn a PhD in Communications at Northwestern University. He is currently a Professor of Communications Studies at Westmont. Along with his wife, Barbara, Giuliano lives in Santa Barbara with sons Justin and Joshua and daughter Linnae.

2003 HALL OF FAME

Sal Rodriguez
Outstanding Athlete

For more than 30 years in the Santa Barbara Community, the name Sal Rodriguez has been synonymous with the Boys Club, and more recently, with the Boys and Girls Club, as its Executive Director. It was a natural career path for Sal because he grew up playing basketball and baseball at the Goleta Boys Club in Goleta

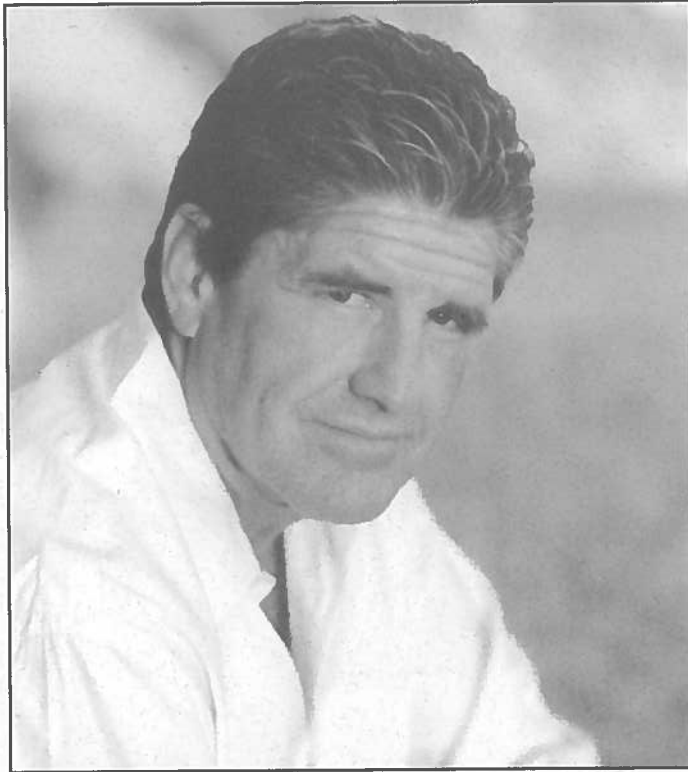

Sal was the first four-year letterman and a four-year starter on the Varsity Basketball team at San Marcos High School. In 1962, Sal was the team captain, first team All Channel League as well as first team "All County." He was All CIF, leading the team in assists and steals and leaving San Marcos High School as the career scoring leader.

He still holds the record for "Fouling Out" of the most games, sharing this record with Paul Menzel. Sal was inducted into the San Marcos Hall of Fame in 1966.

Sal states that his proudest moment was when the San Marcos Royals defeated the Santa Barbara Dons in four consecutive games. San Marcos was a new school, and beating an established Santa Barbara school with a great tradition was very emotional for him.

Sal lives in Goleta with his wife Amie and his two children, Pamela (15) and Bo (13).

2003 HALL OF FAME

John C. Tremblay
Outstanding Athlete

Many who witnessed John's gridiron performances or played with or against him consider him to be among the toughest, most aggressive defensive lineman to ever play in the Santa Barbara community.

John C. Tremblay moved with his parents, Mr. and Mrs. Malcolm Tremblay, from Spokane, Washington to Santa Barbara in 1964.

In Dolores Grade School, he met his first football coach, Fred Warrecker, who taught him the art of football team play. He was identified as "most valuable player" on the Eighth Grade Flag Football Team.

Tremblay moved on to Bishop Garcia Diego High School where his grade school coach was coaching.

John continued his education at SBCC, where he was named All Western States Conference Defensive Lineman, "Most Valuable Defensive Player in the All Western State Conference," JC All California Defensive Lineman and JC All American Defensive Lineman. In

1973, he received a full athletic scholarship to the University of Colorado and in 1975 another full athletic scholarship to San Diego State University, where he started as a defensive line for the #18 ranked Aztecs. There he earned the game ball against Texas.

In 1976, he started as defensive tackle with the San Diego Sharks Minor League professional football team and in 1992, he started at defensive tackle for the American Eagles "Project Timothy" football team.

Subsequent to his college career, John started several successful automotive-related businesses in San Diego, where he resided for almost 20 years.

Since returning to Santa Barbara in 1990, he joined Graham Chevrolet in new and used car sales. He and his wife Darcee live in Santa Barbara and are parents of Rocky, Max, Skyler and Molley. All of the boys went to Bishop, and Rocky and Max are currently in the football program at SBCC.

2003 HALL OF FAME

Debbie Lipson Ekola
Outstanding Athlete

Combining winning records in both academics and sports is not easy, but Debbie Lipson Ekola did it all!

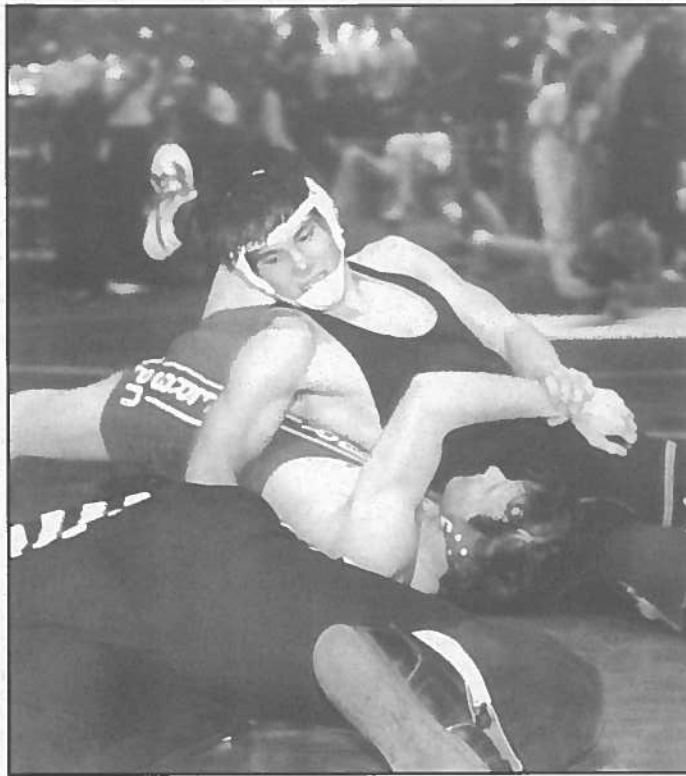

Moving with her parents and siblings to Carpinteria in 1969, Debbie soon demonstrated her many abilities in Carpinteria High School. From 1974-78, she achieved highest scores in Varsity Tennis as All TVL and CIF Qualifier and quarterfinalist. In Varsity Track and Field, she scored highest in discus, shot put, 880, 440 relay, and 100. By 1977, she was a member of the Championship Teams in Tennis TVL and Tennis CIF runner-up. Debbie earned a total of eight Varsity letters, four in tennis, three in track and field and one in gymnastics.

At the same time, she was honored in academics with the CSF Gold Seal, served as her Senior Class Vice-President and was on the Principal's Honor Roll throughout high school.

Following her high school years, Ms. Ekola received the Academic Achievement Award in Physical Education at SBCC. Her achievements at SBCC also included winning in both undefeated #1 singles and doubles and All Conference Champ in both 1979 and 1980. Her record led to her being named Western States Conference Player of the year in 1980 and in being granted a full two-year tennis scholarship to Fresno State to become their #1 player.

She has worked as a physical education teacher at SBCC for over 19 years. In the summer, she works for the City of Carpinteria as a water aerobic instructor. Debbie lives in Carpinteria with her husband Pete and their three sons: Jared (14), Jordan (11) and Spencer (8). All three are athletically talented, and the two oldest are already in competition.

2003 HALL OF FAME

Mike Yamasaki *Outstanding Athlete*

Mike Yamasaki moved from Milwaukee, Wisconsin to Goleta with his parents and seven siblings in 1963. As a freshman at Dos Pueblos High School, he took the Channel Wrestling League by storm, claiming the 105-pound league championship in 1979. He followed that with three more league titles: 112 pounds in 1980 and 119 pounds in 1981.

In 1982, he became one of only two wrestlers in Channel League history to win four individual championships. He helped guide Dos Pueblos to four consecutive league titles and was named MVP of the Channel League as a Junior and Senior.

In 1982, Mike earned his fourth individual league title, second MVP award, and was crowned Champion at both the CIF Southern Section and California High School championships. His performance at State Tournament helped lead Dos Pueblos to fourth place, the highest finish ever earned by a Channel League Team.

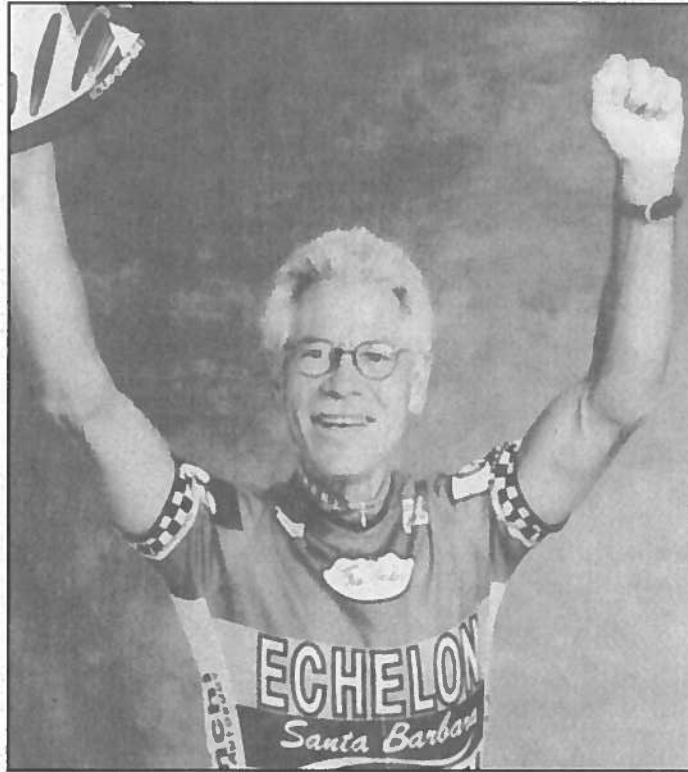

Mike became the first wrestler in Channel League

history to be named to the National High School All-American Team. This remarkable prep career earned Mike a full scholarship to Utah State University, where he registered an 11-10 win loss record as a freshman before suffering several devastating knee injuries.

Mike returned to Goleta in 1986, becoming an assistant on Mike Hart's coaching staff at Dos Pueblos. He helped the Chargers win four consecutive league Championships (1986-1989), along with the Division I CIF Crown in 1989. Mike was named head coach in 1993 and added two more league titles (1995-1996), along with a second place finish in the CIF Southern Section (1996), to the school's trophy case. He was named "Coach of the Year" by the Tri-Counties Wrestling Coaches Association in 1996.

Mike presently works as a managing partner for Gold's Gyms of Santa Barbara. He and his wife Kate reside in Santa Barbara with their two boys, Aidan (3) and Sean (1).

2003 HALL OF FAME

Jack Bianchi
Community Leader

Jack Bianchi has made a triple impact on local sports and competing athletes. He has made significant contributions of both his time and money to help athletes. In addition, Jack himself is a successful master athlete and finally, there is Jack Bianchi, the inspiration.

Jack and his business, Bianchi Motor Company, serve as sponsors for a large number of running, biking and endurance events on the South Coast. Over the last several years, Jack has quietly but successfully mentored a "Kids Run Free" program. He makes private arrangements with race directors to pay the entry fee of every child or young adult, 17 and under, who wants to compete in a race.

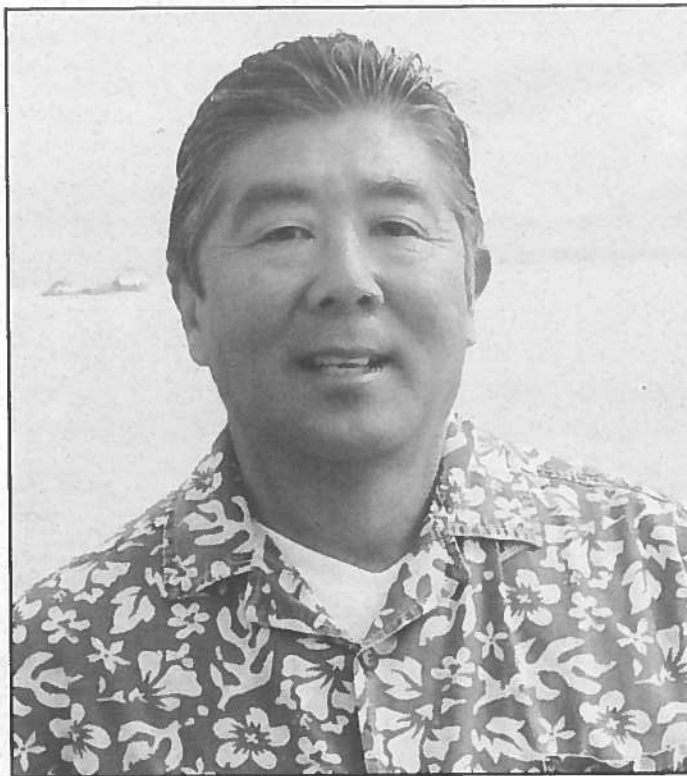

As an athlete, Jack has experienced great success. He became an avid runner in his 40s and began win-

ning age group awards in local, and regional running events, from 5K to marathon distances, then added competitive bike racing. Jack is now training for the Duathlon World Championships to be held in Zurich, Switzerland in late June.

While Jack's sponsorship and athletic activities are impressive, his role as "Mr. Inspiration" may be his greatest accomplishment. Diagnosed with cancer in 1992, Jack had three tough surgeries, survived the ordeal and decided to try for new levels of success as an athlete.

After his successful battle with cancer, he ran numerous marathons and helped start and organize the Terry Fox Run for The Cancer Center of Santa Barbara. He is personally responsible for raising thousands of dollars for cancer research and continues to serve as the best "poster boy" the Cancer Center could ever have.

2003 HALL OF FAME

Dale Okinaka
Special Achievement

Dale started coaching girl's softball in 1979 with the Goleta Valley Girls Softball Association. Soon he became a member of the GVGSA Board of Directors and eventually served as Board President for three years.

Over the last 24 years, Dale has coached girls from the ages of 8 to 22 and in 1995 was elected as Amateur Softball Association's Coach of the Year. His travel team, Southern California Waves, won the age 18 and under National Championship out of 76 teams representing 35 states. (The Waves came back from a third game defeat to win 11 straight games over a 2½-day period.) Dale's proudest softball moment was when each of his players, through their dedication and hard work, received a college scholarship to continue their education while playing softball. He continues to work with

local girls, assisting at San Marcos High School and Dos Pueblos High School.

Dale's basketball days were spent at San Marcos High under coach Maury Halleck, where he garnered All Channel League honors. After high school, Dale attended Santa Barbara City College, where he gained All South-Central Conference honors.

Dale graduated from the University of Laverne with a degree in Business Administration and recently retired from General Motors Corporation after a 38-year career. He has been married to his wife Margaret for 38 years and they have two daughters, Lisa and Chrissy, and five grandchildren: Davis, Chase, Isabel, Emily and Sidney.

2003 HALL OF FAME

Janice Campbell
Special Achievement

Janice Campbell moved from Tacoma, Washington to Santa Barbara with her family in 1959.

In the mid-60s she was introduced to golf by Bob Garcia, the assistant golf pro at the Santa Barbara Community Golf Course. Buying her first set of golf clubs in 1967, her lifelong love for the game began!

During the mid-70s, Buddy Allin founded the "Buddy Allin Golf Week" for junior golfers. From the beginning several dedicated parents (eg. Bob Lynch, Jack Elder, Barbara Rack and others) established the Santa Barbara Junior Golf Association. Janice was to be an integral part of this program.

Janice holds many titles in women's golf competitions. She has taken the Club Championship of the Santa Barbara Women's Club 20 times from 1968 to 2002. She won the Village Country Club Championship in 1977, as well as championships at the Montecito Country Club in 1978 and the River Course at Alisal in 2000, 2001 and 2002.

Janice also won the Santa Barbara Women's Open

for seven years. She was Ventura County's Women's Champion in 1998 and 2002; Southern California Public Links Champion in 1994, 1998, 1999, 2001 and 2002; Western American Golf Champion and Western American Golf Senior Champion in 2001 and 2002 and USGA Seniors 2001 final 32.

On September 11, 2001, she was one of the final 32 players left in the USGA Senior Women's Championship at the Allegheny Country Club in Pennsylvania. After their morning round, the players were told by USGA officials that two planes had hit the World Trade Center. One had hit the Pentagon and the other plane had crashed about 75 miles from the golf course.

Janice stated, "Suddenly golf, which is such a large part of my life, became rather insignificant, and all I wanted to do was to go home and be with my family, friends and my cat."

Janice Campbell has worked for Von's Grocery Stores in Santa Barbara for almost 30 years. Her father and brother still live near her.

2003 HALL OF FAME

Ralph Barkey
Coach

Ralph Barkey spent three years (1955-58) in basketball and golf participation at UCSB, earning various All-Conference and All-American honors as well as induction into the UCSB Hall of Fame as an "Athlete."

Barkey entered coaching at UCSB as an assistant to head coach Art Gallon in 1958. He served two years as an assistant while completing his Masters Degree and in 1960 was appointed the Head Basketball Coach at the College of San Mateo. In 1962, he was asked to return to UCSB as top assistant. He served in this capacity for four years, and following Coach Gallon's retirement, was named head basketball coach at his alma mater in 1966.

Barkey remained UCSB's head coach for 12 years, compiling a record of 169-144. It was UCSB's first years as a member of the NCAA's Division I level. Highlights included the 20-6 mark in 1970-71, victories over three defending Division I champions, two

consecutive victories over Stanford and a resounding win over Illinois State University.

Barkey was inducted into UCSB's Athletic Hall of Fame a second time in the "Coach" category. He is the only former Gaucho to be selected in both categories. He is most proud of three Santa Barbara Athletic Round Table plaques that adorn his wall, naming him the "College Coach of the Year" three different years.

After leaving UCSB in 1978, Barkey entered athletic administration at Cal State Fullerton and then in 1979 at UC Irvine before accepting the Athletic Director's position at Sonoma State University in 1981. He retired in January of 1997 and was inducted into Sonoma State's Athletic Hall of Fame in March of 2003.

Barkey and his wife Diane have been married 47 years and live in Lincoln, California. They have two children, Leslye and John, who are raising their own families in Davis and San Rafael.

Scholar Athlete of the Month

*Sponsored by the
Human Performance Center*

The Santa Barbara Athletic Round Table Scholar Athlete of the Month Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extracurricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extracurricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Athletic Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It also is a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present the 2002-2003 Scholar Athlete Awards to:
