SBART President Catharine Maset Morreale with big wave surfer Sarah Gerhardt at the Women and Girls in Sports Luncheon.

Welcome to our 44th annual Santa Barbara Athletic Round Table Hall of Fame Banquet. Tonight we honor the achievements of athletes from our past as well as recognize outstanding performances of the 2010-11 Athletes of the Year. In light of our mission to recognize and support athletic participation, this year we hosted over 1,000 athletes and coaches to our Monday Press Luncheons, 400 athletes to our Women and Girls In Sports Luncheon, raised thousands of dollars for

our local high school athletic departments and provided much needed funding to many well deserved organizations. In addition, we honored dozens of outstanding athletes for their ethics, sportsmanship, academics and volunteer endeavors. We accomplished all of this through the financial support provided by hundreds of members of our local community and through the contribution of thousands of volunteer hours by our Board of Directors.

Highlights of the school year include the appearance of Chivas USA Goalkeeper Danny Kennedy at our Fall Classic event. The former UCSB Gaucho gave a riveting talk focused on perseverance as a means to success to a packed house of young soccer players from our local high school varsity teams. In February, our Women and Girls in Sports Luncheon featured big wave surfer Sarah Gerhardt who was introduced by "One Winter Story" film producer Elizabeth Pepin. A renowned surfer featured in sports magazines, news shows and a documentary film, Sarah holds a PhD in Physical Chemistry from UC Santa Cruz. She spoke to over 400 young athletes about overcoming life challenges to achieve personal, academic and athletic success. SBHS graduate Jamaal Wilkes was the featured speaker at our March Madness event. The former UCLA legend and Lakers superstar traded stories and March Madness picks with over one hundred SBART supporters, sponsors, coaches and athletes.

As my SBART presidency draws to a close, I would like to thank the generous members of our Board of Directors who provided me with their weekly, if not daily, perspectives, insights and volunteer hours; all offered with a dose of humor, camaraderie and humility. I could not have performed my duties without their support and understanding. In addition, I would like to thank the local media for their enthusiastic devotion to local prep sports including Mark Patton, John Zant, Barry Punzal, John Dvorak, Blake Dorfman, Mike Takeuchi and Thomas Kelsey. Finally, I offer my personal thank you to retiring SBART board member Ethel Byers for her decades of service to Santa Barbara's athletic community and I wish the very best to upcoming President Rich Hanna and President-elect Laurie Leighty. I know that our organization will continue to thrive in their very capable hands.

CIF champions at the state, region and section levels.

by Barry Punzal, Presidio Sports

Our schools accomplished the trifecta during the 2010-11 season. Not bad for a community of eight schools — Santa Barbara, San Marcos, Dos Pueblos, Bishop Diego, Carpinteria, Cate, Laguna Blanca and Providence Hall — who compete in CIF competition

The postseason success started in late spring 2010. The Santa Barbara High boys golf team got on a roll and won the CIF State Championship. Led by seniors Jack Perry (Northwestern) and Shane Lebow (Stanford), who both fired 4-under par 68s, the Dons shot 2-under as a team at the Santa Maria Country Club to bring home the school's first state title in any sport.

This year's team heads into the postseason after winning its fifth straight Channel League title.

Santa Barbara also captured its first regional championship. The Dons' boys soccer team won the CIF State Regional Division 2 title after finishing as runners-up in the CIF-

Southern Section Division 1 tournament. It's the program's seventh CIF title overall.

Ironically, the two teams that earned Southern Section championships both did it with undefeated records. The Dos Pueblos girls water polo team won its fourth straight CIF-SS crown, and third in Division 1, with a perfect 31-0 mark — the Chargers have a Division 1-record 67-game winning streak. Stanford-bound Kiley Neushul was named Player of the Year of third year in a row.

Cate's boys soccer team won the Southern Section Division 7 title with a sparkling 22-0-0 mark, and sophomore Ema Boateng was honored as CIF Playoff the Year.

The Carpinteria boys soccer team and the Bishop Diego boys basketball team finished as CIF-SS runners-up.

The Dos Pueblos boys cross country team had its best season in history, finishing 10th in the state.

Here's a look back at other highlights of the 2010-2011 sports season:

In the summer, Olympic gold medalist and San Marcos and UCSB alum Todd Rogers and partner Phil Dalhausser won a record nine tournaments on the international pro beach volleyball tour.

In the fall, Santa Barbara beat Dos Pueblos for the first time in girls golf and tied the Chargers for the Channel League title; Nicolai Bornand kicked a 41-yard field goal with 11 seconds left to beat Ventura and give Dos Pueblos its first Channel League football title since 1979; DP's boys water polo team reached the CIF Division 1 final four; The Chargers girls volleyball team went unbeaten in Channel League; SBCC's women's volleyball team won its second straight WSC title and reached the state quarterfinals.

The UCSB men's soccer team drew a NCAA record 15,896 fans for its win over UCLA, and the Gauchos won their first Big West Tournament title. In a Hollywood-style ending, Waid Ibrahim scored the winning goal in overtime to beat Denver in a NCAA playoff game. UCSB hosted the NCAA Men's College Cup.

The winter season saw the UCSB men's basketball team win its second straight Big West Tournament title to reach the NCAA Tournament again. In prep basketball, Bishop Diego's boys played in their first CIF final and the girls reached the semifinals; Providence Hall's girls basketball team qualified for the CIF playoffs in their first year of eligibility.

Dos Pueblos wrestler Chad Lampe avenged an earlier loss to win the Channel League title in his weight class and Santa Barbara's Bryce Vinion earned the schools first league crown in several years.

This spring, UCSB men's volleyball team rose to the occasion in the postseason and advanced to the NCAA Final Four for the first time since 1988. The Gauchos defeated top-ranked USC to win the MPSF Tournament and beat the Trojans again in the national semifinals. They lost a tough five-set final to Ohio State.

Dos Pueblos' Nick Scarvelis has been the leading shot putter in the state all season, and the San Marcos girls 4x400 relay team is one of the fastest in California. At SBCC, pitchers Kailey Snyder and Chris Joyce led the softball and baseball teams to conference titles. Mark Basham has the Westmont men's tennis primed for a NAI A title run.

Our schools were champions in the classroom, too. San Marcos topped all schools in the CIF with six varsity team academic champions and five runners-up. Dos Pueblos garnered five titles and Santa Barbara and Laguna Blanca one each.

What a year!

SBART Founders

Over four decades ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The SBART got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The SBART's first annual banquet was held at Santa Barbara City College on June 22, 1968. Through membership dues, contributions, fundraising events and local foundations, the Round Table has raised more than \$2 million.

Harry's Plaza Café was the site of the SBART's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All area schools were represented by the head coaches of the sports in season. For over four decades the SBART luncheons have been held at Harry's every Monday, attended by standing-room-only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped thousands of individuals and organizations by raising funds to support their athletic programs. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend.

It is with our deepest regards and warmest thanks that we acknowledge and celebrate the vision and hard work of our founders, Caesar Uyesaka, Jerry Harwin and Bill Bertka.

The SBART wishes
Jerry Harwin
a very happy and active
100th Birthday!!!

He holds a degree in political science with a minor in psychology from Cal Poly.

BILL PINTARD

Special Achievement

Bill Pintard is the manager of the Santa Barbara Foresters, the 2006 and the 2008 National Baseball Congress World Series champions. Bill has led the team since 1995 and has amassed what is perhaps the country's best record at this level of baseball. He has led the Foresters to more than 600 victories (believed to be among the most nationally among current coaches) and a long string of titles. Among them: the 2006 and 2008 national championship; 15 California Collegiate League championships; and 14 California NBC qualifying tournaments titles. In 2003, Bill earned the Individual Sportsmanship Award at the NBC World Series; his Foresters ballclubs have won the National Baseball Congress Team Sportsmanship Trophy the past three years. In 2008 he was named National Baseball Congress Manager of the Year. In 2010, the Association of Professional Ball Players of America awarded Bill The Sparky Anderson "Good Guy Award. That same year, California Collegiate League recognized Bill as Manager of the Year for the tenth time.

Bill is also very proud that, with the addition last year of Chris Pettit to the Los Angeles Angels , a total of 30 former Foresters players have made it to the Major Leagues. Another 200 plus former Forester players have played in the minor leagues, and many more have used their Foresters experience to enrich their lives on and off the field.

Though Bill is proud of his baseball accomplishments, he is perhaps most proud of his work with the Foresters' Hugs for Cubs program. Inspired by his late son Eric's own battle with cancer, Bill and all the members of the Foresters family work with young cancer survivors to bring the "Foresters spirit" to their lives. All year long, Bill and his team bring kids to ballgames, including an annual trip to Angel Stadium where Mike Scioscia greets them; they also take the kids to surf camps, on fishing trips, visit them in hospitals and do what they can to show these brave youngsters that the Foresters have their backs. A former Forester, Jonathon Brewster, has taken the Hugs for Cubs to UCLA, and is now working with USC and UCI in establishing the Hugs for Cubs program at those universities. The word is spreading and now has reached as far as San Francisco State, Eric Pintard's Alma Mater.

Somehow amid all of that, Bill is also a scout for the Los Angeles Angels and runs a busy commercial real estate business, the William Herbert Company. Bill is a longtime resident of Carpinteria, where he and his wife Kris have raised four children, Ethan, Eric, Brittney and Kelby.

SOUTH COAST COMMUNITY AQUATIC CENTER Community Leader

In 2000, a group of Dos Pueblos High School aquatics parents and supporters formed the South Coast Community Aquatic Center. The goal of the group was to leverage voter-approved bond funds allocated to repair the school's 40-year-old swimming pool, and instead construct an entirely new, 50-meter Olympic-size aquatic center that would serve the entire community.

The group forged a public-private partnership with the Santa Barbara Secondary School District and by 2004 had raised \$1.2 million. In 2006, another \$1 million was donated. The SCCAC board asked that the pool be named the Elings Aquatic Center, after Virgil Elings, whose \$1 million contribution, along with a \$500,000 gift from his former wife Betty Wells, ensured the success of the project.

Students, community volunteers, donors and SCCAC and School Board members gathered in July of 2007 to jump in the pool for the first time. Said then SCCAC Board Secretary Susan Deacon, "When we started this project seven years ago, I don't think any of us knew what kind of journey we were about to embark upon. Except for two board members, all of our children have graduated from Dos Pueblos. But along the way, we realized this pool wasn't just about our kids – it was a pool for everyone."

Since its opening, the pool has become the home of champion swim and water polo teams, has hosted a 3rd-grade swim program and an on-going summer swimming lesson program, been the venue for Olympic teams and exists as a community resource for thousands of aquatic enthusiasts of all ages.

The original SCCAC leadership team included Jim and Ginny Kuga, Jim Ranta, Larry Harter, Gary Maxwell, Marion Schoneberger, Peter Neushul, Michelle Wiesen, Britt Ortiz and Susan Deacon.

President's Award

LARRY CRANDELL

Larry Crandell is one of Santa Barbara's most revered and respected citizens, known by many as "Mr. Santa Barbara". For decades, if there was a local nonprofit event and the need for an emcee, an auctioneer or simply a champion with a big heart and quick wit, Larry was there.

Santa Barbara Athletic Round Table is fortunate to have had Larry as one of our key members since shortly after our formation in 1968. He has served in various capacities for over four decades – Board Member, Hall of Fame inductee, President, Press Luncheon/event emcee and most recently as Chairman of the Board. We are delighted to recognize Larry

for all that he has done and continues to do for the Round Table and the community.

Having received literally hundreds of awards and honors for his years of community service, Larry claims to have created the world's shortest acceptance speech: "Well deserved, long overdue." Truer words were never spoken. Mr. C, we love you!

Russ Hargreaves Memorial Award

JOE SALCEDO

Joe Salcedo is the past-president, athletic director and volunteer coach of the Santa Barbara Youth Football League (SBYFL). He remains involved with the SBYFL as coordinator of fields for the league.

Salcedo is a partner at the investment advisory firm Pivot Independent Financial.

For the past 17 years he has been involved with many non-profit organizations but none more personally rewarding than his eight years with SBYFL.

Salcedo's dream is for the Santa Barbara community to have enough fields to meet the needs of the youth of Santa Barbara.

A native of Santa Barbara and alumnus of Bishop Diego High School and UCSB, Salcedo is married to Teri and has three children.

The SBYFL was established in 1971 to provide the opportunity for youth to benefit from physical, mental, moral and emotional development using the game of football as a catalyst. The Board of Directors strives to provide this opportunity to all children and teens throughout Santa Barbara County from Summerland to Goleta.

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He spent a lifetime creating opportunities for others to enjoy the benefits of recreational activities. He loved jogging and was committed to total body fitness. He knew that a healthy mind and body were the first steps to a happy and productive life. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs

R.F. MacFarland Memorial Trophy

RICH HANNA

Rich Hanna came to Santa Barbara 18 years ago in search of a job as a lifeguard, and he's been serving local athletics ever since with both the Semana Nautica Association and Santa Barbara Athletic Round Table.

He grew up in Wellington, New Zealand as a United States citizen, participating in club and high school sports in swimming, soccer, tennis, basketball, rugby, and track and field. He also competed as a surf lifeguard while in college. The City of Santa Barbara hired him as a beach lifeguard in 1993, and he has since worked his way up to Senior Recreation Supervisor overseeing Aquatic, Sports and Tennis programs.

Hanna joined the Semana Nautica Board of Directors eight years ago and served as event coordinator for its 1 and 3 Mile Ocean Swims as well as its 5 Mile Biathlon. He was elected as Semana Nautica President in 2006.

He joined the Santa Barbara Athletic Round Table Board of Directors five years ago and, as chair of its High Five Golf Tournament, has raised nearly \$60,000 for local high school sports in the last five years.

Hanna has been elected as the next president of the Santa Barbara Athletic Round Table and will succeed Catharine Manset Morreale next fall.

R.F. MacFarland was one of the founders of Semana Nautica in 1936. This award is given annually to the person or organization who best exemplifies community leadership in the area of sports and athletics. It is sponsored by The City of Santa Barbara Parks and Recreation Department, local media and the Semana Nautica Association.

Master Athlete Award

ANDY NEUMANN

Local surfer and architect Andy Neumann began surfing in 1958. He was an early member of the Santa Barbara Surf Club and the Hope Ranch Surf Club. Graduating from Santa Barbara High School in 1964, Neumann earned a surfing scholarship to UC Berkeley from the United States Surfing Association. He spent his junior year at UCLA, leading the surf team to the intercollegiate championship, and transferred back to Berkeley to study architecture.

Neumann's surfing resume includes wins at the 1964 Semana Nautica Surf Contest, a second place finish at the 1966 Malibu Invitational – one of the most prestigious in California at the time – and making the semi-finals of the 1967 international Makaha Surfing Contest on the north shore of Oahu. In 1968 he was invited as one of two surfers to represent California in the annual surfe festival in Lima, Peru.

Neumann placed third on of the first-ever professional surf contests in 1968, winning \$100. "I decided I better not quit my day job, and I stayed in school," says Neumann.

More recently, at age 58, Neumann won the 2005 Open Longboard Division at the Rincon Classic surfing against teenagers and twenty-year-olds. A few years ago he won his age group at the Malibu Invitational and last year won the Legends (55+) division at the Rincon Classic.

Married to his childhood sweetheart, Yvonne, Neuman cherishes being accepted as one of the "bros" by the much younger local surfing community.

This award was established and endowed by Louise Lowry Davis to encourage the continued participation in competitive sports, regardless of age. It is given for achievement by an athlete over the age of 40 years.

Special Olympics Mayor's Trophy

2011

NANNETTE HUDSON-CLARK

Nannette Hudson-Clark has been a Special Olympics athlete for 21 years. In this time, she has participated in Aquatics, Bowling, Bocce Ball, Volleyball, and Power lifting. Of these sports, her favorites are Power lifting and Aquatics. Nannette has been swimming since she was a young girl and she also grew up playing volleyball with her family. Over the Fall 2010 and Spring 2011 seasons, Nannette has won gold medals for her outstanding achievements in both Bowling and Aquatics. In addition, she has gone above and beyond her role as an athlete in our organization, by participating as a member of the Athlete Input Council, completed training to become a Global Messenger and is always willing to help out with any fundraisers, including personally raising over \$2000 in 2009 and 2010.

Her favorite thing about being a Special Olympics is the chance to compete. She enjoys the challenge of competing, especially with herself, and one of the quotes she is well known for is, "Bring it on!" At competitions, she loves spending time with her teammates, who are also her best friends, as well as seeing her friends from the other Special Olympics areas.

Nannette loves how Special Olympics has helped her to get in better shape and have fun doing it. Besides weekly practices during the season, for the last eight years, she has cross trained at Curves for Women Gym four days a week.

This award was first established by mayor David Shiffman. It is presented annually to a Special Olympics Athlete.

PAULA CONGLETON

SBCC Women's Softball

In her 13th season as head coach, Congleton led the Vaqueros to the best season in school history with a 31-5 record and their first WSC Gold Division title. They went 16-2 in conference and had a couple of big nonconference wins over top-ranked College of the Siskiyous and No. 4 Mt. SAC. SBCC, ranked No. 7 in Southern Cal, had a school-record 12-game winning streak from Feb. 17 to March 19. The team posted a .330 batting average and earned a trip to the Southern Cal Regional playoffs. She was named WSC Coach of the Year for the third time and also received a Faculty Excellence Award from SBCC.

College Co-Coach of the Year

RICK McLAUGHLIN

UCSB Men's Volleyball

Rick McLaughlin guided UCSB to the NCAA men's volleyball finals in just his third season as head coach, taking the Gauchos on a playoff run that included two wins over top-ranked USC, and another at No. 2 BYU.

The Gauchos lost to Ohio State in the national championship game at Penn State on May 7 in a five-game thriller — the fifth time the Gauchos have been NCAA runnersup. This was the Gauchos first postseason berth since 2007.

McLaughlin's Gauchos earned two selections for All-American honors, four for All-MPSF and one NCAA All-Tournament selection.

High School Coach of the Year

CHRIS PARRISH

DPHS Girls' Waterpolo

Parrish inherited one of the most dominant teams in local sports history from Danelle Little, last year's Coach of the Year, and with it he inherited the loftiest of expectations. He managed to lead the Dos Pueblos girls water polo team to an unprecedented second straight 31-0 season and a fourth consecutive CIF Championship. The former San Marcos High standout also led the boys team, which he has coached for many years, to the CIF Semifinals with a 24-5 record. His Charger boys swim team recently finished up an undefeated season in the Channel League. "It has always been my goal to

be able to give back to the sport that I love and that is the reason I found myself back in Santa Barbara spending countless hours on the pool deck," he says.

SBART Special Awards

Scholar Athletes of the Year

Generously Sponsored by The Human Performance Center

The Santa Barbara Athletic Round Table Scholar Athlete of the Year Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extra-curricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extra-curricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It is also a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present this year's recipients.
