Special Achievement

We hope you will patrionize our many business friends and sponsors listed in this program. It is their generosity, along with that of our guests this evening, that contributes to the development of our athletic community and to the lives of our student-athletes.

WELCOME to our 47th Hall of Fame Banquet! As we end the 2013-2014 school year, I wonder, “where did the time go?” It seems like only last week that it was football season and we were hearing the coaches’ reports at Monday Press luncheons — telling us about their upcoming season, along with the other fall sports reports.

October rolled in and we geared up for Fall Classic. We decided on a volleyball theme for this year and lucked out with Lindsey Berg and Todd Rogers as our featured athletes. Jon Lee moderated the event and the packed room of volleyball enthusiasts, led by the East Beach Noomers, heard stories from these two Olympic greats. It seemed like we had just finished with that event, when the fall sports were winding down and the winter sports started making their appearances at the Press Luncheons.

Winter also means the Girls and Women in Sports Luncheon in February. This is an awesome event held annually to not only recognize local female athletes, but also to celebrate the passing of Title IX in 1972. This year’s event included a crowd of 470 local female athletes treated to lunch at Earl Warren Showgrounds with an inspirational message from our key note speaker, Dottie Bauch. Many of our local cyclists were there to support their former teammate and friend, including the amazing women of B4T9. We were lucky to have generous sponsors and foundations help us with this event. Like us, they see the value of being able to inspire and motivate, as well as appreciate our local athletes.

March rolled in and it was time for March Madness. Ben Howland was our speaker — with help from local coaches, John Moore, Carlene Mitchell and Bob Williams. They wowed the crowd with basketball stories and bracket insights. You couldn’t help but feel their camaraderie as they commiserated over upsets and looked forward to the next season. . . . Let’s just say we were all smiling!

since we never really had a winter, it was hard to know that spring had sprung, except that we now had baseball, track & field, volleyball and swimming reports at Monday luncheons! After each lunch, I marveled at the fellowship and mutual respect amongst the coaches. I love to catch the athletes’ shy smiles as they are recognized for their accomplishments while they enjoy their little moment in the limelight. I so appreciate our local press and photographers from Presidio Sports, the News Press, the Independent, and KEY! — What an exceptional job they do at highlighting local sports! To all our sponsors and members; we couldn’t have done it without YOU. To the amazing board of Athletic Round Table: I so appreciate all you do.

CONGRATULATIONS to all the athletes here tonight — as well as to their families and friends who are here to support them. I think we can all agree that sports teach us about working together for a common goal; to work hard, sacrifice and persevere, to enjoy the wins and learn from the losses, to play fair, to respect our bodies and stay healthy; and to wrap it all in fun in this lovely community we call home!
2013-14 Athletic Highlights
by Barry Punzal, Presidio Sports

Our athletes treated us to some extraordinary performances during the 2013-14 local sports season. Whether you were part of an athlete's family, a friend, a classmate or just a follower of local sports, there were many memorable moments to savor during the year.

Who could forget the historic run by the Santa Barbara High girls basketball team? Under the guidance of longtime coach Andrew Butcher, the Dons' season seemed like it would never end. They won the program's first CIF-Southern Section championship, first CIF Regional title and made their debut at the State Finals in Sacramento. They finished 30-6 and Division 3 state runners-up. Sophomore sensation Amber Melgoza earned All-State honors.

"It's just been a tremendous group," Butcher said after the state final loss to Modesto Christian. "You want to reach your potential and we went by it about triple. The pieces all fit together, so we had an exciting time and a fun time. I couldn't ask for more."

Santa Barbara's amazing journey was one of many highlights of the year.

In the fall, the Carpinteria girls tennis team made program history by winning a second straight CIF Division 5 championship. "This year, the girls were one big, happy family that enjoyed coming to practice and working hard," coach Charles Bryant said. "They are an amazing group of girls who are not just solid tennis players but also show great sportsmanship to their opponents and genuinely have a fun time on the courts."

Also in the fall, the Dos Pueblos High boys cross country team finished a program-best third at the CIF State Championships and Charger senior Addi Zerrenner placed second as an individual in the girls Division 2 race.

Other fall highlights for prepers included: the Laguna Blanca girls volleyball team finishing as CIF section runners-up; Bishop Diego's football advancing to the CIF semifinals for the third straight year; Dos Pueblos winning the city football championship.

At the collegiate level, the Westmont women's soccer team won a dramatic penalty-kick shootout in the semifinals and advanced to the NAIA National Championship game for the first time since 2003. The Warriors fell short in the final, falling 1-0 to Concordia of Oregon. The UCSB men's soccer team won the regular season Big West title and returned to the NCAA Tournament; the UCSB women's volleyball earned a share of the Big West title and earned a NCAA berth in coach Nicole Lantagne Welch's first season. SBCC's women's golf team won the State Community College title for the third time and No. 1 player Fanny Johansson captured the individual crown; SBCC's football team enjoyed a 7-3 season, its best record since 1991; SBCC soccer player Brandy Harris set a school record with 33 goals in a season.

It was a fabulous year for high school basketball. Besides the success of the Santa Barbara High girls, the Dons boys put together a fantastic season. They went undefeated in Channel League, advanced to the CIF 3A Division semifinals, reached the second round of the CIF Regionals and ended the year with a 26-4 record. The Bishop Diego and Laguna Blanca boys teams also had big years, making it to the semifinals in their respective CIF divisions. In girls water polo, San Marcos earned a share of its first Channel League title and advanced to the CIF quarterfinals. Santa Barbara continued its success in the sport, advancing to the CIF Division 1 Final Four.

A year after winning the program's first NAIA national title, the Westmont women's basketball team earned a trip back to the nationals. In swimming, UCSB's Andrea Ward and Wade Allen qualified for the NCAA's. Alex Valente of Dos Pueblos set a national age-group record in the 100 butterfly and a Southern California record in the 200 fly.

Stamatia Scarvelis of Dos Pueblos is finishing her high school career with a bang. As she heads into the post season, the two-time CIF state champion in the shot put holds her second longest throw in state history and fifth-best all-time in the U.S. at 53-9.25. She also has the tap discus mark in the country (172.7).

Led by the standout senior trio of Shane Hauschild, Baker Johnson and Christian Widmer, the San Marcos boys volleyball team won its first Channel League title since 2003 and entered the CIF playoffs as the No. 1 seed in its division.

Dos Pueblos snapped Santa Barbara's streak of 114 straight Channel League wins in boys tennis and earned a share of the league title with the Dons. San Marcos freshman Kentu Perez became the first school's first singles champion since 1998.

The Westmont baseball team had a history-making season. The Warriors won a program-best 38 games, captured the GSAC Tournament and earned a berth at the NAIA National Tournament. SBCC's baseball team earned its fourth straight postseason playoff berth. In tennis, Westmont's Lauren Stratman won the GSAC singles title and was named conference player of the year. The UCSB men's volleyball team created a buzz in the community and won a postseason game over UCLA in a packed Rob Gym.

Congratulations to all the athletes and coaches for making this year so special.
Over four decades ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffees breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The SBART got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The SBART's first annual banquet was held at Santa Barbara City College on June 22, 1968. Through membership dues, contributions, fundraising events and local foundations, the Round Table has raised more than $2 million for local athletics.

Harry's Plaza Café was the site of the SBART's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a “Monday Morning Quarterback Club.” All area schools were represented by the head coaches of the sports in season. For over four decades the SBART luncheons have been held at Harry's every Monday, attended by standing-room-only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped thousands of individuals and organizations by raising funds to support their athletic programs. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend.

It is with our deepest regards and warmest thanks that we acknowledge and celebrate the vision and hard work of our founders, Caesar Uyesaka, Jerry Harwin and Bill Bertka.

The mission of the Santa Barbara Athletic Round Table is to recognize and support athletic participation as an important means of fostering discipline, teamwork, self-respect, personal responsibility, and camaraderie.

The SBART provides a public forum for area athletic coaches and athletes; grants financial support to organizations, teams, and individuals to further their participation in sports; and publicly honors athletic performance, scholastic achievement and exemplary ethical behavior.

The Santa Barbara Association of REALTORS® represents approximately 1,100 members from all real estate specialties including residential sales, commercial sales, development, property management and appraisals. Please browse our website for interesting topics, activities and community information. Our REALTOR® members are a valuable component to a healthy real estate market.

Mission Statement
The Santa Barbara Association of REALTORS® is dedicated to enhancing our members' ability to conduct their real estate business by providing education, tools, and resources. We promote ethical standards and a spirit of cooperation within a professional, competitive environment. We engage in real estate-related community issues affecting our members and/or their clients.
The Cal Ripken of NCAA softball comes from Santa Barbara. Christoferson, a graduate of San Marcos High School in 1997, almost never missed a game in college and holds the NCAA record for most career games played of 304 while at the University of Illinois at Chicago from 1998 to 2001.

The catcher's impressive collegiate career included being named the MVP of the Midwestern Collegiate Conference twice and an All-American in 2001. She led the Flames to the NCAA Regionals in each of the four years she played and finished her career with a .344 batting average (312 hits) with 37 HR and 179 RBI. Christoferson was a key piece of the best season in school history as the Flames were 67-17 in 2000. Softball took Christoferson to Italy to play professionally for one season right after college.

In Santa Barbara, Christoferson was on the News Press All-County Team for basketball and softball in her junior and senior years with the Royals. San Marcos named her its overall Athlete of the Year in '97 and she was inducted into the Royals Athletics Hall of Fame in 2011. A four-year varsity player in both sports, she earned eight letters for the Royals. In softball, Christoferson earned a full scholarship to UCI by being named to the Channel League's First Team for four-straight years and leading the Royals to two league championships.

Christoferson credits a strong support system with her athletic success, noting coaches, teammates and family as playing a vital role. Now a police officer in Illinois, Christoferson lives with partner Jennifer Casey and daughter Mia.
**MEGAN ENYEART**
Outstanding Athlete

Dos Pueblos' softball program has produced many outstanding players in its proud and successful history. Megan Enyeart remains an especially bright star in that universe.

Enyeart was a Charger from 2001 through 2005, winning a Southern Section CIF championship as a senior, the same year she was named the Channel League's MVP and an All-CIF First Team selection. The accolades didn't stop there as Enyeart was also the Santa Barbara County Player of the Year, the Athletic Round Table Softball Athlete of the Year, and Dos Pueblos' Athlete of the Year. The Incredible season saw Enyeart lead the Channel League in batting average, home runs, RBI, on-base percentage and slugging percentage. The CIF title was especially sweet as it was Dos Pueblos' first ever for softball.

As a junior, Enyeart was an All-CIF First Team selection and the Santa Barbara County Player of the Year as well. She played four years of varsity softball and four-years of varsity basketball.

The playing field wasn't the only place Enyeart excelled.

She was Dos Pueblos' Scholar-Athlete of the Year as a senior and then went to Yale to continue her playing career, where she received a degree with distinction in architecture. She then received a Master's Degree at the University of Louisville in Urban Planning and is currently engaged to Stephen Chan while working as a City Planner in Scott County, Kentucky. Parents David and Sabrina Enyeart are her biggest fans.

At Yale, Enyeart became the school's all-time career leader in doubles (40) and is second on the all-time list for RBI (90). Enyeart was voted a team captain her senior year and was named the team's co-MVP. Her career batting average of .317 is sixth all-time at Yale.

---

**MIKE FITZGERALD**
Outstanding Athlete

A two-sport all-league athlete in high school at San Marcos, Mike Fitzgerald went on to win an NCAA National Championship as a volleyball player and another as a coach at Pepperdine University before realizing a professional playing career on the beach.

Fitzgerald looks back on the 1985 national championship at Pepperdine fondly. He captained the team to the title after the Waves finished runner-up in 1983 and 1984. He was there with the Waves for their most successful 4-year period in program history, making the NCAA Final four-years straight. Fitzgerald stuck around after the 1985 title and helped coach the Waves to a back-to-back NCAA title in 1986. FitzGerald's coaching career included a brief stint as head coach at Cal Poly.

FitzGerald's successful athletic career has already placed him in the San Marcos Royals Hall of Fame and Pepperdine Hall of Fame. Additionally, both the 1985 and '86 teams are in the Pepperdine Hall of Fame.

FitzGerald played professionally for seven years on the AVP Tour and Bud Light 4-Man Tour. He also traveled internationally to compete, winning a pair of tournaments in Chile.

A stand-out athlete at San Marcos in both basketball and volleyball, FitzGerald could have played either sport in college. He remains the Royals' single-season record holder in basketball for assists.

FitzGerald returned to the Santa Barbara area and started his own business HarborView Real Estate & Investments. He enjoys traveling with his wife Michelle, daughter Elle, and son Troy. Outside of work Mike's hobbies are fishing, surfing, skiing, coaching youth sports, and vacationing with the family.
Lola Trenwith stacked up an impressive number of championships while a tennis star growing up in Santa Barbara.

Trenwith was a four-year varsity player at Santa Barbara High, where she won four Channel League titles and four CIF AA championships. She added a Channel League Individual Championship to her resume in 1980, and was the Round Table Athlete of the Year for tennis in 1981 and 1982.

A tournament player outside of team tennis, Trenwith won the Girls 16s and Girls 18s titles at the Santa Ana Tennis Open in 1979. In 1980, Trenwith won the Girls 18s title at the San Buenaventura Tennis Tournament. In 1982, Trenwith was a double-champion at the Santa Barbara Tennis Open, winning in both singles and doubles.

The outstanding high school tennis career led her to be inducted into the Santa Barbara High School Tennis Hall of Fame.

Trenwith attended UC Irvine on a full scholarship and graduated in 1986. In her time as an Anteater, Trenwith was named the team’s MVP in 1984 and served as co-captain in 1985.

Trenwith, who married career Army Officer Dan Georgi 22 years ago, has moved nine times. In those 22 years and now currently lives in Virginia outside of Washington D.C. While Dan was serving in Hawaii, Trenwith competed on the State of Hawaii Professional Tennis Circuit and won the Hawaii State Open Championship in 1993.

But it’s the four-straight CIF championships while at Santa Barbara High that Trenwith considers the highlight of her athletic career.

Dan and Lola have two daughters, Alexandra, 18, and Olivia, 15.

Scott Winnewisser was a standout athlete in multiple sports at Bishop Diego, but it was on the football field where Scott really made his mark. He graduated from Bishop Diego as an All-CIF lineman, played collegiately at Cal Poly, and was signed by the NFL’s New Orleans Saints.

Winnewisser, listed as a 6’5”, 285-pound offensive lineman at Cal Poly, played 38 games with the Mustangs, playing tackle, guard and long snapper during his time in San Luis Obispo. He was a three-time All-Great West Conference selection.

The Bishop grad went to Cal Poly as a walk-on and made the squad, playing from 2007-2011.

Winnewisser was on the Bishop Diego team that reached the CIF semifinals in 2006. He was a defensive nightmare for opponents, totaling 13 sacks, 18 tackles for a loss, 92 solo tackles, nine pass breakups and five forced fumbles during his senior year. His phenomenal senior season led him to be named the MVP of the Frontier League and the News Press All-County MVP. Winnewisser left Bishop Diego as a two-time team captain of the football team. He earned additional varsity letters in basketball and volleyball.

Winnewisser is working towards a degree in Biomedical Engineering at Cal Poly. He was raised in Santa Barbara by parents Steve and Jennifer Winnewisser. Brothers Christian and Michael also played football at Bishop Diego.
Rick Olmstead's volleyball coaching career stretched across two decades and brought championship titles to Santa Barbara High School and Santa Barbara City College.

The Carpinteria native was Santa Barbara High's first volleyball coach and famously coached the great Karch Kiraly and the Dons to a CIF title in 1978 and won a State Championship with SBC in 1983.

Kiraly, a three-time Olympic gold medalist and generally regarded as the sport's best player, currently coaches the USA Women's National Team and credits Olmstead for being a major influence. "I learned a ton from Rick Olmstead, an incredible coach," Karch Kiraly once told local sports writer John Zant. "I've written a few of his sayings up on the whiteboard, like: 'Excuses are like ampilts; everybody's got them and they all stink.' Sometimes he used a different word from ampilts. If we were not playing to the level he thought we were capable of playing, he would get us to realize that even if other team wasn't that good, we can't lower ourselves. He's been influence in terms of trying to be the best prepared team."

Olmstead's cumulative record at Santa Barbara High and SBC was 347 wins against 125 losses.

Olmstead's coaching career began in Hawaii soon after graduating from BYU-Hawaii with a degree in sociology. His first job was at Kahuku High School in 1972, followed by one year leading BYU-Hawaii in 1973. He then returned to Carpinteria High School, where he graduated in 1964, as a teacher. He was an assistant coach for Warriors' football and basketball teams before taking the job with the Dons.

Olmstead is extremely well connected in the volleyball community having served as a referee for approximately 1,800 college matches since 1975. He became a regular referee at pro beach volleyball events starting in 1985.

Olmstead's family includes wife Trudy and eight children: Ginger, Laci, Shawn, Heather, Nicco, Karolee and Brooke. His son, Shawn, played at BYU and became the head coach of BYU's women's team in 2011. Heather played at Utah State and now is an assistant on the coaching staff at BYU.

Athlete, Coach, Administrator, and Volunteer, Russell Joan Price has made an impact on the local sports community in many ways. Above all, helping to establish equal opportunities for women to compete in sports has become a life-long passion for the trailblazing Russell Price.

Price originally came to Santa Barbara as a UCSB student and volleyball player in 1973. The two-sport NCAA athlete didn’t get the chance to compete in track & field until her junior year when a women’s team was created. She then scored the first points ever for UCSB at nationals with a 5th-place finish in the pentathlon. In 1977, Russell Price was named the Athletic Round Table Athlete of the Year in both Women’s Volleyball and Women’s Track & Field.

Learning to excel in the heptathlon, Track & Field took Price all the way to the Olympic Trials in 1980 and 1984. At the trials in ‘84, Price placed fifth in heptathlon behind winner Jackie Joyner and was .01 seconds off setting an American record in the 800 of a heptathlon.

Price’s leadership in the local sports community is arguably more impressive than her athletic ability. Price raised a life-saving $5 million for Elings Park as Executive Director and was instrumental in creating the annual Women in Sports Luncheon at Earl Warren Showgrounds. Price was the first women president in Santa Barbara Athletic Round Table history and has served as the Recreation Manager for the City of Santa Barbara and Executive Director of the Montecito YMCA.

Her volunteer work includes service to the Athletic Round Table, Semana Nautica, and the Rotary Club.

Russ Hargreaves Memorial Award

**PONY BASEBALL**
Santa Barbara Pony Baseball, in association with the City of Santa Barbara and the Parks & Recreation Department, has been a fixture of the Santa Barbara sports scene since 1972. In keeping with Pony’s mission of Protecting Our Nation’s Youth, Santa Barbara Pony Baseball makes it its mission to teach teamwork, sportsmanship and athleticism to boys and girls of all skill levels ages 5-14. Based at beautiful Mackensen Park in Santa Barbara, SB Pony serves more than 400 families every year with our spring and fall programs and clinics, and SB Pony prides itself in offering scholarships to those in need, so that no player is turned away. SB Pony is an all-volunteer organization run by passionate volunteers with one thing in common - a love for the greatest game ever invented - baseball.

Rus Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He spent a lifetime creating opportunities for others to enjoy the benefits of recreational activities. He loved logging and was committed to a healthy mind and body. He was the first steps to a happy and productive life. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs.

R.F. MacFarland Memorial Trophy

**SANTA BARBARA SWIM CLUB**
Few organizations reach deeper into the community than the Santa Barbara Swim Club, which will celebrate its 50th anniversary this summer. The age range of its members is well more than 80 years.

“Our youngest swimmers are around 5 or 6 when they start,” club president Bob Bell said. “They’ve already often been exposed to a learn-to-swim program and have some skills already, and we place them in a novice program.”

“And we also have folks in our masters program who are in their 80s. We have one lady last year who was in her 90s. It’s a lifetime sport, and we see people of all ages, body types and ethnicities,” Bell’s son, Walker, signed up at age 5 and is still going strong at 16.

Stability has been the name of the game at the Swim Club, which operates out of Los Banos del Mar Pool with UCSB's Campus Pool serving as a satellite facility.

“We’ve probably had more than 3,000 swimmers with us over the 50 years, and over that time we’ve had about eight full-time coaches,” Bell said. “We’ve had six days a week with our young swimmers, and our masters swimmers have some special workouts on Sundays, too.”

He said the club started in 1963 “with a handful of kids who were dedicated to competitive, year-round swimming.”

“It’s really evolved since then,” Bell said. “We’ve always had some outstanding coaches who have produced a lot of Junior Olympic champions. We’ve even had some Olympic swimmers among our alumni, and many more college Division 1 and Division 2 swimmers. We have a couple of Olympians in the masters group right now, so you see a full spectrum of competition.”

The Santa Barbara Swim Club will celebrate its 50th anniversary at its annual Reg Richardson Masters Meet for swimmers 18 and older on July 12. Information is available at sbswim.org.

R.F. MacFarland was one of the founders of Semana Nautica in 1936. This award is given annually to the person or organization who best exemplifies community leadership in the area of sports and athletics. It is sponsored by The City of Santa Barbara Parks and Recreation Department, local media and the Semana Nautica Association.

Master Athlete Award

**ELAINE CAMPO**
Perhaps no other local female runner has a resume like Elaine Campo in the world of distance running.

Campo routinely completed marathons in less than 3 hours, with a personal best of 2:44:15 accomplished in Houston. Campo qualified to compete at the U.S. Olympic Trials for the marathon in 1984 and did it again in 1988. She finished as high as ninth in the Boston Marathon, the same year that Rosie Ruiz was infamously disqualified from the race for cheating.

With no shortage of talented women runners in the community, Campo’s Santa Barbara Athletic Association records have stood the test of time. Campo’s notable personal bests are 3 minutes and 52 seconds in the 1500 meters, 35:35 in the mile, and 34:13 in the 10K.

Her name can be found at the top or near the top of the Santa Barbara Athletic Association record list in just about every distance.

Campo’s trailblazing approach to women’s distance running even earned her a Nike sponsorship. She was able to elevate herself to the top of the sport despite not having an organized running program at her high school or college. It wasn’t until grad school at University of Rhode Island that Campo received any coaching, and not until she moved to California in 1977 did she truly begin her competitive running career. She came to Santa Barbara to get her Master’s Degree in ergonomics at UCSB and then attended nursing school at SBCC.

Campo, now a nurse in the oncology department at Sansum Clinic, says she appreciates the sport of running for enhancing her life in "so many ways."

This award was established and endowed by Louise Lowry Davis to encourage the continued participation in competitive sports, regardless of age. It is given for achievement by an athlete over the age of 40 years.

Special Olympics Mayor’s Trophy

**CRISTIAN QUINTANAR**

Cristian Quintanar, a student at Dos Pueblos High School, is a hard-working and dedicated Special Olympics athlete who competes in golf, track & field and bowling. Since he joined Special Olympics in 2011, Cristian has been recognized by volunteer coaches for his growth both as an athlete and a teammate.

Head Golf Coach Rich Montson says: “Cristian is an excellent golf player and one of the best athletes I’ve seen in any sport, demonstrating speed, power and grace. He has Improved each year for the 3 years we have had the team.”

Anyone who has had the pleasure of watching Cristian compete has witnessed his serious attitude and determination on the track, golf course and bowling alley. He thoroughly enjoys the spirit of competition and strives to bring home a gold medal from every competition.

Off the playing fields, Cristian is a supportive teammate and has enjoyed his experience at Local School Games events, Regional Games competitions and the 2013 Pats Games where he showed us all how to skill not just for the win but with heart and a great spirit. We are very pleased to recognize Cristian for his incredible athletic accomplishments.

Congratulations on your award Cristian, from your coaches, team mates, friends and fans.

This award was first established by mayor David Sillsman. It is presented annually to a Special Olympics Athlete.
Russ Morrison Memorial Scholarship

Leah Dunn

Leah Dunn is on track to graduate from Dos Pueblos High School in June of 2014 with a stellar 4.14 GPA. Her academic accolades include the National Honor Society, National Art Honor Society, and the First Tee A/B Honor Roll. In addition to her academic excellence, Leah was a four year Varsity Golf Club member, and coached golf for the Special Olympics. Praised as an “outstanding young woman,” Leah says she owes her success to her hardworking single mom for the sacrifices she made over the years to provide Leah with better opportunities. “My mom has had to support me and all of my extra-curricular activities on an extremely limited income. I’m not sure how we survived, but somehow she has always been able to provide. My goal is to make sure that I end up in a career that I love, and that can earn a good enough salary so that I can provide for my family and give back to my mom,” Leah writes. Leah plans to seek a degree in business at University of Colorado - Boulder in the fall. Intelligent and driven, she is committed to her goals and can look forward to a bright future for herself and her family.

Gina Ruskauff Memorial Scholarship

Jack Braniff

Jack Braniff is no stranger to overcoming obstacles in his path. When a high school coach in his freshman year told him, “You are slow. You are not strong. And you have bad footwork. But you have heart.” Jack admits to being stung by the brutal honesty. Instead of accepting that he couldn’t change, Jack poured himself into practices, gaining physical strength and confidence and proving himself a valuable asset to his team. Jack will earn his diploma from Bishop Garcia Diego High School this June with a 3.49 GPA. He is looking forward to his freshmen year at the University of Oregon in the fall and is intent on a degree in business. Jack has gone from a boy with little self-esteem or athletic ability, to a confident young man able to compete in both football and golf for the Carpers and is a member of both the tennis and baseball teams as well. He was named to the School Honor Roll in 2010 and 2013; served as a School Ambassador; is President of the Youth for Distict Relief Club; and is a Campus Minister. Jack writes “My decision to work at being better on the field was shaping me into the person I was meant to be. Taking on the responsibilities and leadership roles made me feel confident, smart and whole.” Jack is “take charge” young man and will no doubt continue to strive to reach his full potential.

SBART Founders Scholarship

Hannah Galsterer

Hannah Galsterer is a sports enthusiast with aspirations of becoming an athletic trainer. Pleased to graduate from Carpinteria High School in June 2014, Hannah is excited to begin her freshman year at San Diego State University in the fall in pursuit of a degree in Kinesiology. In addition to being enrolled in AP English and History courses at Carpinteria High School, she was a member of the Associated Student Body, College Bound and the Spanish Club. She has also served as Captain of both the basketball and softball teams. Despite her busy academic schedule and her commitment to her extra-curricular sports activities, Hannah maintained a 3.82 GPA and was the recipient of Academic Achievement and Academic Excellence awards. She has enjoyed work experience through the Regional Occupational Program in the field of sports medicine and writer, “I look forward to combining my interest in the human body and how it functions with my passion for athletics. I have found an area of study that I love and I look forward to pursuing it.”

College Coach of the Year

Chuck Melendez

SBCC Women’s Golf

Chuck Melendez’s coaching prowess is no secret. He’s been singled out as the Western State Conference Coach of the Year in five of the past 10 years, guiding the women’s golf team at Santa Barbara City College all the way to three State Championships in that time.

The latest State Championship came in November at the Tracy Golf Club in the Central Valley, SBCC, led by Swedish star Fanny Johansson, finished the season with a near-perfect 66-5-5 record, including 32-0 in WSC competition.

Melendez knows how to get the most out of his players and prefers to credit the athletes for their success. Melendez’s championship team featured Johansson, Haley Yue, Saralis Ortega, Alexandra Brunell, Megan Herrera, Emilie Arnold, Vanesa Villa, Maggie Daly and Jackie Ramirez.

“Chuck possesses a unique blend of no-nonsense competitive push and deep caring for the well-being and personal growth of each member of the team,” says SBCC Athletic Director Ryan Byrne.

Melendez also is the coach of the Vaqueros’ men’s golf team, which reached the SoCal Regional Tournament this spring. His leadoff-keu utility shuffles out amongst his peers, and he currently serves as President of the California Community College Women’s Golf Coach Association.

Melendez grew up in Goleta, playing football at Dos Pueblos High School and SBCC. He played quarterback for the Vaqueros’ 1976 team that won the WSC Championship. After receiving degrees from Eastern Oregon University and Humboldt State, Melendez returned to work at SBCC starting in 1991.
High School Coach of the Year

ANDREW BUTCHER
SBHS Girls Basketball

He’s been called the “go-to man” of local girls basketball, but it wasn’t until this year that Santa Barbara High’s longtime basketball coach, Andrew Butcher, won a CIF championship.

Butcher has consistently put a winning team on the floor in his 32 years of coaching the Dons, helping develop 21 players in the process that went on to play at NCAA D1 schools.

Butcher’s teams consistently reached the postseason but could never win the whole thing. That changed on a Saturday afternoon in March when the Dons crushed Lake Elsinore-Lakeside, 67-43, in the CIF-ss D3-AA final in Azusa. Twice, Saturday’s later the Dons added more hardware by winning the CIF SoCal Regional championship, which sent them to Sacramento the following week to play for the Division 3 State Championship at Sleep Train Arena. While the Dons were finally beaten, they finished the season with a school-record 30 wins and two CIF titles.

“Every year, the kids want to get (a CIF title banner) up on the wall, and some years we have more of a chance than others,” Butcher said soon after winning the Southern Section championship. “To be honest, I didn’t think we had any chance this year. It’s kind of exciting. It’s the players on the court and they did a great job.”

Butcher was recognized as doing a great job as well, being named the CIF-ss 3A Coach of the Year.

His deep-rooted love for the game of basketball is infectious for his players. “Andrew’s one of those guys who’s larger than life but quiet and reserved about himself, humble as all could be,” says Santa Barbara High Principal John Becchio. “He puts good people around him. He takes some kind of project that no one else would see as anything good and he has a vision it would be great and he turns it into great. And he does that with the kids. He takes kids that have never played basketball and in four years they’re great.”

That attention to detail makes his mediocre teams good, and his good teams great. This year’s team, which had the town talking and attracted large crowds to JR Richards Gymnasium throughout its playoff run, was legendary.

Phil Womble Ethics in Sports Award

Generously Sponsored by Investec Real Estate

Awarded monthly to a high school junior who shows exemplary sportsmanship and character.

February.............................Abraham Moreno
March.................................Lisa Adkins
April................................Delora Day
The Santa Barbara Athletic Round Table Scholar Athlete of the Year Award was initiated in September 1986 after the Round Table’s Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extra-curricular credentials. Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extra-curricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table. The Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It is also a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present this year’s recipients.

2013-14 Scholar Athlete of the Year Awards

Bishop Diego HS ...................... Mitchell Oleson

It was with sadness and a heavy heart that we said goodbye to local athletes in the 2013-2014 year, including:

Maggie Daly—SBCC Golf
Nick Johnson—SBHS & UCSB Waterpolo
Dale Okinata—Hall of Fame
Frank Swain—Hall of Fame

*It is not length of life, but depth of life.*

—Ralph Waldo Emerson
Frank Swain 1929-2014
SBART Charter Member and Semana Nautica Board President & Treasurer

Frank was a sports enthusiast. He enjoyed keeping statistics for Santa Barbara High School and San Marcos High School. Baseball was his favorite sport but he liked all sports. He also cared about sports in Santa Barbara. Being civic minded, he joined many organizations, working behind the scenes. Frank became a charter member of the Santa Barbara Round Table after being invited to be on a committee by his friend Caesar Uysesaka in 1968 and was a member since then. He also was a charter member of the Santa Barbara High School Alumni Association. He served 4 years as president and 23 years as treasurer. He was a member of the Santa Barbara Semana Nautica, serving a term as president and many years as treasurer until his death.
